GC Council Adds 16 Acres to City, 117 More Planned

Granite City grew by 16.68 acres Monday night in the Dream Villa area and has prospects of growing another 117.8 acres as a second annexation ordinance was placed on first reading.

The HWR Development Co., Henry W. Ross, president, requested annexation of the smaller tract for Dream Villa Addition Four which contains 69 lots, with 48 zoned for single family

dwellings, 14 for two-family dwellings and seven for apartment houses. The Dream Villa area is east of Edgewood drive and borders on the Gorbie Addition.

The 117.8-acre tract, which lies east of Holiday Gardens and south of Ponton road, is scheduled for development by Arthur McFarland and associates. It was first proposed to the council in July.

There was no council objection to the Dream Villa annexation, but Aldermen Johnson and Thompson of the Eighth Ward, opposed the 117.8-acre tract. Thompson said he objected to the zoning within the tract for apartments and commercial establishments when the area is surrounded on three sides by R-1 zoning for single-family dwellings.

Supported By Mayor
Both tracts received the approval of the City Plan Commission and the support of Mayor Partney.

McFarland and associates have plans for single-family R-3 homes to provide buffer strips adjacent to subdivisions in the area, and inside the tract would be duplex dwellings, apartments with both rental and condominium units and in the center would be a small shopping area.

Another ordinance setting sewer rental fees for the Dream Villa annexation also was approved by the council with one

disseminating vote by Alderman Moerlen. Two aldermen, Dallas and Basarich, were absent.

Moerlen protested the procedure in which the developer installs the sewers and the rental fees are collected by the city with refunds to the developer until his sewer cost has been paid.

For collecting the monthly rental charge, the city gets 15% plus 25% for trunk line and lift station usage while the sewer debt is paid to the contractor. Then it retains the full amount until the entire Nameoki sanitary sewer system is free of debt.

Moerlen said he realizes this has been the standard procedure,

Vandals Throw Eggs
Persons in a 1958 or 1959 white auto threw eggs and cakes in the 2200 block of Ponton road, it was reported to police at 9:25 p.m. Tuesday. Officers were unable to locate the car.

but that he believes the developer should include the sewer cost in the sale price of the home.

"In some instances they have done this," he pointed out.

The sewer rental ordinance sets the regular monthly fees of \$2.50 for a single family home at \$2.50 per unit for duplexes and \$1.25 per unit for each apartment. The tap-on fee is \$45.

County Members Concede in Anti-Poverty Reorganization

Amid charges of "sandbagging" and some reluctance, the Madison County Economic Opportunity Commission approved Monday night a proposal to reorganize and give more representation to two local units whose existence has been preventing allocation of federal funds for use in Madison county.

The action climaxed a long-standing fight for more representation by a group known as the Tri-Cities EDC Council, made up principally of Venice residents, and an Alton-Wood River group.

The reorganization will add seven representatives from each of these groups to the membership and two members each on the 21-man executive board.

Approval of the move was described even by those opposing the reorganization as "something that had to be done if we are to get any federal funds—otherwise we might as well kiss it goodbye."

Executive Board Meets

Recommendation that the step be taken was determined by the executive committee which met at 7 p.m. in Edwardsville and then, half an hour later, presented it to the approximately 40 members in attendance.

The merger proposal first was offered the group in a meeting ten days ago in which representatives of the three separate groups were told that dissension must be eliminated if any federal monies are to be distributed in this county. James Bailey, assistant principal of Alton senior high school, was chosen as acting chairman following resignation of George Moore of Granite City as chairman, suggested the seven-two membership addition as a compromise.

Bailey's Remarks

Bailey said the reorganization move should eliminate all dissension that has marked efforts in Madison county to obtain federal funds. He pointed out that the proposal was discussed first in executive board meeting and then presented to the general membership where the proposal was approved unanimously and without opposition.

Bailey also said the general feeling favored settlement of the dispute so that funds can become available for projects throughout the county.

Settlement of the dispute will not mean dissolution of the Tri-Cities group or the Alton-Wood River group, Bailey said. He noted both will retain their autonomy as agencies qualified to

sponsor projects and apply for funds.

The next executive board meeting is scheduled for Nov. 8 and the next membership meeting on Nov. 15, both to be held in the board of supervisors room at the courthouse in Edwardsville.

Opposing the reorganization was Stephen Maeras, mayor of Madison, member of the executive committee by appointment of the Madison city council, who has joined with William Hoelscher, a member of the Granite City Anti-Poverty committee and manager of the Manufacturers Association of the Tri-Cities, in contending that the Tri-Cities Council as it now exists does not represent the Tri-Cities of Madison, Venice and Granite City officially, but instead represents a privately organized group with no official standing.

Joined County

Representatives of the county commission appointed by the city councils of the three cities chose to go along with the county commission rather than set up separate commissions in the three different communities or even a "real representative" Tri-Cities Council made up of members appointed by the three city councils.

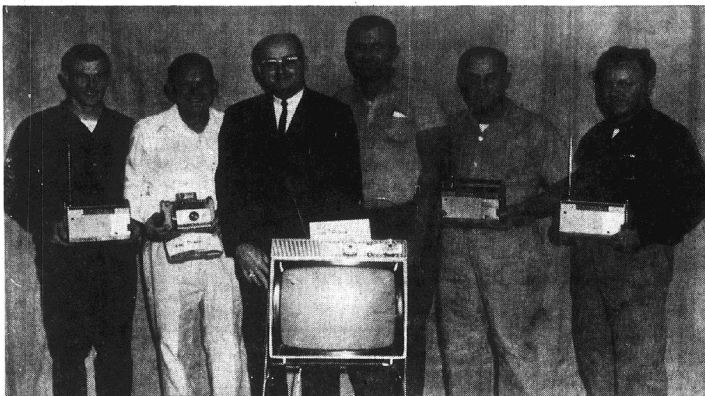

Maeras complained that the recommendation for approval of the merger came from a "loaded committee." He said that "The Tri-Cities (Venice) group and the Alton-Wood River group are not the only ones. We have an Edwardsville group and a Collinsville group and groups from all over. Anyone can set up a committee and make application for funds."

Hoelscher, who did not attend Monday night's meeting, contended that approval of the reorganization gives each of the three groups "a one-third representation" along with the other appointments of the different areas. This overbalances the authority of the county commission, Hoelscher said, and gives the opposing factions "a veto power."

David Morgan, manager of the housing authority and a member of both the Granite City and County Commission by appointment of the Granite City council, referred to the reorganization action as a "sandbagging" operation. Morgan said he could see no reason why the Tri-Cities group should be referred to as such because it did not represent the Tri-Cities.

Only a Clearing House

Morgan added that he did not see what all the fuss is about,

FIVE PRIZEWINNERS in A. O. Smith Corporation contest are, left to right—Donald Galloway, Frank Cantlon, Stanley Young, Quality Control Manager; John Mezo, John Hand and William Morgan. Mezo won first prize, a portable TV set

in the first place, because the County Commission acts only as a clearing house for projects for which federal money is sought.

"The commission has no authority to veto a project or even to act upon it," Morgan said. "The constitution and the by-laws provide that any project for which funds are sought by a community or organization, merely clears through the commission and is sent to federal authorities. There is nothing in the constitution or bylaws that will permit the commission to split up any funds allotted for any specific project."

The county commission is supposed to be made up of 100 regular members, 20 from among persons who would benefit from the poverty act, 20 not representing any agency of organization and 60 from specific organizations. The addition of 14 members from the two local groups would not swell the membership beyond the original 100 membership because of existing vacancies, it was explained.

The county executive committee which is supposed to have 21 members also has vacancies and the addition of four executive board members will not exceed the limit of 21 members, according to Maeras.

Amsted Industries Earnings Hit All-Time High This Year

Amsted Industries today reported sales and earnings reached all-time highs in fiscal 1965 for the second consecutive year, it was announced yesterday at Chicago. The local American Steel Foundries is a part of Amsted.

Net income for the year ended Sept. 30, 1965, amounted to \$11,776,000, up 19% from \$9,922,000 last year. Earnings per share rose to \$4.26 from \$3.60 in 1964. Total sales increased 7% to a record \$187,856,000 from \$176,056,000 in 1964.

Joseph B. Lanterman, Amsted president, said, "The continued benefits derived from the program of diversification and capital improvements, conducted without interruption for more than a decade, coupled with a healthy general economy, produced the greatest year in Amsted's history."

Cash dividends of \$1.90 per share were paid in the 1965 fiscal year, compared with \$1.70 per share in 1964. The quarterly dividend was increased from 45 cents per share to 50 cents per share with the June 15, 1965, payment. Lanterman said expenditures for plant and equipment amount-

ed to \$10,800,000 in 1965. The largest expenditures were for new water pipe making facilities at Florence, N. J., which began operations in the fourth fiscal quarter and for the purchase of new production facilities in South Bend, Ind., for the company's South Bend Lathe operation. The move to the new location should be substantially completed by the end of December 1965.

Lanterman said that on the basis of present plans, expenditures for plant additions, excluding acquisitions, will be about \$11,000,000 in 1966.

At the board of directors' meeting Tuesday a dividend of 50 cents per share was declared payable on Dec. 15 to stockholders of record as of the close of business on Nov. 19.

Reformation Day Observance Planned

Concordia Lutheran Church will join with 100,000 Missouri Synod Lutherans in 100 congregations on both sides of the Mississippi River in separate Reformation Day events Saturday and Sunday.

Under sponsorship of the Council of Lutheran Churches in the Greater St. Louis area, a drama and a dialog sermon will be conducted.

Excerpts from Osborne's "Luther" will be presented under the direction of John Hoyer at 8 p.m. Saturday at Concordia and the drama will be followed by a discussion. The panel will include the Rev. Dr. George W. Wiltmer, pastor of Messiah Lutheran Church in St. Louis, and a Roman Catholic priest and an Episcopalian clergyman.

Madison Trojans Take Title Hopes To Highland

PRESS-RECORD SPORTS

Page 6 Thurs., Oct. 28, 1965 Granite City PRESS-RECORD

Trojans Climb into 2nd Place in MW Conference

Madison's Trojans climbed into second place in Midwestern Conference standings with their 26-12 win over Roxana last week.

Now sporting a 2-1 conference mark, the Trojans will have to beat Highland's Bulldogs and the Cahokia Comanches in order to secure at least a first-place tie with Cahokia, if the Comanches win all their other games.

Cahokia leads the pack of six teams with a perfect 3-0 league mark. Both the Comanche offense and defense have sparkled in the three conference games. The offense of Cahokia has accounted for 12 points, while the defense has held opponents to a mere 13 points.

Roxana and Highland share third berth with identical 2-2 marks, while Dupu and Bethalto are in the conference cellar with 1-3 records.

Flyers Lead SW Race
The East St. Louis Flyers, by virtue of one more victory, lead the Southwestern Conference race with a perfect 3-0 slate. Belleville's Maroons are in the second spot with a spottest 2-0 mark.

The Granite City Fighting Warriors, who lost to East St. Louis Friday night, are in fourth place behind Wood River's Oilers. Coach Wayne Williams team which upset the Warriors two weeks ago, has a 2-1 conference mark, while Jim Morrison-coached Warriors have a 2-2 league record.

Collinsville and Alton are deadlocked in the fifth place with 1-2 marks while the Edwardsville Tigers are in last place with a 0-4 record.

Legate Defends Bowling Crown

Max Legate of Granite City will defend his district bowling crown in the third round of all-star eliminations at Bowland Sunday at 1 p.m.

Legate, manager of the Bowland lanes, won the district bowling crown last year and competed in the national tournament in Lansing, Michigan.

The eliminations, in the third week, have been bowled in Maccohan and Belleville the last two weeks and will be held in East St. Louis the week after Granite City.

Jim Vrenick of Granite City is fifth in the standings and Paul Stafford and Charles Parmley also are among the top ten bowlers.

Conference Officials Schedule Rule Meeting

There will be a meeting of all Southwestern Conference basketball officials at Coolidge Junior high school Tuesday, Nov. 2, at 7:30 p.m. Dick Yates, athletic director of the Granite City district, has announced.

The meeting will acquaint the officials with basic rules and interpretations for basketball played within the conference.

Warrior Season Tickets To Go on Sale Monday
Season tickets for all Granite City Warrior home basketball games will go on sale in the high school office on Monday.

The tickets, which cost \$9, will give the holders seating preference at all home basketball games. The 1965-66 Granite City basketball campaign begins Nov. 30 with a home game against Roxana.

MADISON'S DEFENSIVE UNIT moves in for the kill in one of the Trojans' practice sessions. The 12 Trojans who play on defense are, front row, left to right, Steve Ingram, Joe Deloney, Art Neidhardt, Bert

Armour and Alton Rendell; second row, Joe Podoba, John Brake, Doug Wasylak, Steve Shipcoff, Marvin Owca, Paul Lusk and Sam Jones.

Warriors' Map-Reading For Edwardsville May Decide Fate For Remainder of Football Season

It's not often that a high school football coach gets a chance to look at road maps, but that's exactly what Granite City's Jim Morrison is doing.

And he's not outlining the bus route to be followed when the Warriors travel to Edwardsville for a Southwestern Conference game this Friday night. He's questioning the right route to take for the remainder of the season.

"We can either take Interstate 630 or Interstate 360," Morrison said, meaning that the Warriors could end their season with three more wins and have a 6-3-0 record, or follow "Interstate 360" lose the three games and wind up with a 3-6-0 season.

"Either way we go, the highways are tough, and some parts of them are bumpy, but that last stretch is mighty smooth," the GCHS head mentor said.

Morrison was referring to Edwardsville as tough, Quincy as "improving by leaps and bounds," and finally, Belleville as a smooth ball club.

But he is taking one game at a time and his main thoughts are on the Edwardsville Tigers, 0-4 in conference play this year.

Defense Improving
"They're tough and, let me tell you, we're scared," he said. Morrison said the Tigers' defense is "improving by leaps and bounds," and their passing attack is "really potent and tough to stop."

To combat the passing attack, the Warriors will have Leonard Revelle, a left-captain senior defensive halfback, returning to the lineup for the first time in four games.

With this good news, the Granite City eleven also has had senior, Senior defensive guard Ed Brokaw will be a questionable starter, as will Gary Johnson, the Warriors' most consistent ground gainer and leading scorer. Brokaw is suffering from injuries to both knees and Johnson is nursing a shoulder injury received in the Wood River game.

"Last week was the first time in my nine years of coaching that we've lost two in a row," Morrison said. "This game will be our turning point; either we win them all, or we collapse," he added.

One Win in Six Games
Morrison has his problems, but Edwardsville coach Pat Price also has worries. Price's Tigers have lost four conference games and have won only one game in six outings.

Part of Price's story is centered around the list of injured players—especially fullback Don Poo. "First he got a knee injury against Wood River and, when we felt he was well again, out which 'highways' his Warriors will take.

Cahokia, Game Ahead of Trojans, Tackles Shells

Cahokia's Comanches will put their perfect (3-0) Midwestern Conference mark on the line when they travel to Roxana for a conference match with the Shells (2-2) Friday night.

Cahokia is all alone in first bag and go to Edwardsville, where they clash with the Bengal Tigers.

Coach Jim Morrison's Warriors 3-3 on the season and 2-2 in conference action, while the Tigers wear a 1-3 overall mark and a 0-4 conference record.

Belleville's Maroons host Alton's Redbirds and hope to stretch their perfect (2-0) conference record and challenge the Flyers for the league title. Alton is 1-2 in conference action.

Others Visit Cahokia
The only other Southwestern Conference game will see the Oilers of Wood River tangle with Collinsville on the Cahokia's home turf.

Coach Wayne Williams' Oilers are in fourth place in the Southwestern Conference with a 2-1 mark, while the Cahokia's are 1-2 in league play.

With no really big games on the menu for the weekend, there are still some important ones scheduled for the league leaders and potential contenders.

The other Midwestern game will pit Bethalto (1-3) against Dupu (1-3) on Saturday to see who will move out of the league cellar.

Flyers in Non-League Game
East St. Louis' Flyers will take the week off from Southwestern Conference play and journey to Assumption. The Flyers currently sport a spottest 6-0 record, while the Assumption eleven has a 5-1 mark on the season.

Granite City's Fighting Warriors, after losing two conference battles to Wood River, 14-7, and East St. Louis, 39-6, pack their

Bulldogs Have Speed Trojans the Power-r-r

All of their hidden desire, talent and effort must be put into the Madison Trojans' Midwestern conference clash with the Highland Bulldogs Friday night at Highland.

The Trojans, 2-1 in league play, must win this one in order to challenge Cahokia, the following week for the conference crown. Wins over Highland and Cahokia would deadlock Madison and the Comanches in a first-place tie.

But the obstacle that must be met and overcome by the Trojans is a rugged high-scoring Highland team.

"They're plenty tough. They have (Craig) Manwaring and (Don) Yamm who can score. And that (Wray) Boulanger who can block," said Madison's head football coach Glen Pickering.

Manwaring, Yamm and (Barry) Schuepach all are in contention for the Midwestern Conference scoring title in play so far this season.

The Bulldogs will use their tried and true split-T formation against Madison, but will vary with a few aerials during the game.

"Pass A Lot"
"We'll throw the ball about 10 or 15 times a game," said Highland coach Frank Prechal. And throw they will, especially to their big 200-pound right end, Manwaring. He has caught five touchdowns, passes and two extra point tosses for his 32 points this year.

The Trojans will field one of the biggest backfields in the Midwestern conference. They will have Steve Shipcoff, 180 pounds, at quarterback; John Brake, 160 pounds, at right halfback; Alton Rendell, 200 pounds, at fullback; and Paul Lusk, 215 pounds, at the left halfback spot.

The Bulldog line has an advantage, if you can call it that, of one pound per man, while Madison's backfield outweighs Highland's by 26 pounds per man.

Burt Still Out
Although speed is a factor, perhaps all of that power in the Trojans' backfield will help. Burt Pickering's team still misses the services of speedster Ron Burt, who tore in tremendous early carrying performances in the early part of the season.

Burt is still hampered by a leg injury, and his loss will cut down on some of Madison's breakout speed.

To offset this, Pickering has indicated that he will continue to use Lusk and his power. The big halfback picked up 114 yards on 22 carries in last week's game at Roxana to become the workhorse of the ball club.

Spirits High
"Spirits are high here," said Pickering, "and the kids want to win."

To reach the challenge level for Cahokia, the Trojans have to find some short leashes with names on them like Manwaring, Yamm and Schuepach.

Last year, the Bulldogs took a bite out of the Trojans and defeated Madison 27-7.

CHARLES HAUG

MEL BARRON

Former Warriors Star at Millikin

Two former Granite City football players were singled out this week for their performances in Millikin University's 16-13 Homecoming victory over Carroll College last Saturday.

Charles Haug and Mel Barron won the honors. Haug, a versatile veteran on the Milliken team, turned in an outstanding game in a linebacker role.

Barron, an offensive tackle, opened holes for the Milliken ball carriers to lead the team to its second win in five outings.

Milliken, now 2-2-1, will finish the season with three straight College Conference of Illinois games.

Council Balks At Hiring Woman In Police Dept.

Appointment of a woman as police department secretary to replace a police officer who would be assigned to regular patrol duty hit a snag Monday night for Mayor Partney.

The council voted down the proposal by a vote of 8-to-6, but Mayor Partney said he would submit regular 30-day appointments to fill the post. The procedure was challenged by aldermen who called for an opinion to be furnished by City Atty. Richard Allen.

Mayor Partney said his first 30-day appointment of Mrs. Rita (LaVesta) Irwin, 1616 Moro avenue, to the job would be given the council next Monday night, Nov. 1.

Six Support Mayor
The mayor's appointment was supported by Aldermen Rutledge, Moellen, Stenberg, Thompson, Fray and Parmley. Opposing it were Norn, Whitmer, Bartosiak, Johnson, Boyd, Robertson, Poulos and Green. Two aldermen were absent—Basarich and Dallas.

When the mayor announced the appointment at the outset of the meeting, Alderman Whitmer, chairman of the Police committee, asked if the clerk-typist would be an addition or a replacement to the police department.

Partney explained she would be an addition and a replacement, as that within 30 days, Patrolman Raymond "Mike" Ridge, who now handles police records, would be assigned to police duties.

Protests Voiced
First to protest was Alderman Bartosiak, who pointed out that the present records clerk aids in escorting prisoners from jail to court, and he called for an opinion from Chief Willareid.

Willareid replied the department needs a records clerk and a secretary.

Norn praised the work of Patrolman Ridge and stressed that the police department has always been "a man's department."

Mayor Partney interrupted to say, "The appointment will be made and I'd like the council to concur. I'd hate to do it every 30 days, but I will. Other cities follow this procedure. Alton does it." He added that other patrolmen often are in the city hall and that they could be summoned by radio.

Alderman Fry commented that the city could save salary-wise and get the services of an additional police officer. He pointed out industry and business hire women for clerical jobs.

The secretary-typist, Partney said, would be \$325 a month, compared to \$370 for a patrolman. Mrs. Irwin, a housewife and

MAKE-SHIFT FACILITIES provide for "patients" with bone fractures in a ground floor area of St. Elizabeth Hospital at Wednesday morning's disaster drill.

Hospital's Disaster Drill Termed 'Realistic' Success

The disaster drill conducted by St. Elizabeth Hospital Wednesday morning was termed a realistic success by administrators and participants.

The drill utilized as victims a about 20 members of speech classes at Granite City high school who were "injured" in a simulated explosion of a boiler at the school.

They were rushed to the hospital in three ambulances with various types of "make-up" injuries which looked real, from bleeding to protruding bones and puncture wounds. They were designed by Miss Dolores Clyde, R.N., Coordinator of the drill.

The victims were met at the ambulance entrance, wheeled on stretchers to the emergency rooms and treated at a fracture area at the x-ray entrance, the cafeteria, the coffee shop and the "pre-op" surgery room on the fourth floor.

Candy strippers served as the main lobby, using available guards, messengers, stretcher bearers and other details.

Housekeepers set up five ward areas with equipment and supplies procured from the various floors.

All male personnel of the hospital served as traffic control until police arrived, as lifters in the ward area and as guards at doors to permit personnel showing red disaster cards.

A labor pool was established in the drill once a year.

Examining a "victim" of a simulated boiler explosion is Dr. E. H. Theis with the aid of part of the hospital staff. (Other pictures will appear in Monday's issue.)

Dr. E. H. Theis, with the aid of part of the hospital staff, examined a "victim" of a simulated boiler explosion. The victim was lying on a stretcher, and Dr. Theis was attending to him. Other hospital staff members were also present, some standing and some sitting. The scene was set up to simulate a disaster drill.

GATEWAY ARCH topping-out ceremonies are viewed by the students at Lake grade school in Granite City. The youngsters brought binoculars from home to view the activity from the school's lawn.

Two Autos Collide
Autos driven by Ronald L. Easley, 2329 Paul street, and Jeanette Wilson, 2221 Alexander street, collided at 3:30 p.m. Wednesday at St. Clair and Myrtle avenues.

GC Park Board Plans to Hire Assistant Supt.

The Granite City park board gave approval for hiring a part-time assistant for Supt. Harold Brown during a meeting last night.

The board authorized Brown to fill the new position of "athletic director." The new employee's main responsibilities would be handling flag football, basketball, softball, and boys baseball programs.

The position would involve three to four hours of work a night and all day Saturday, with the director receiving a salary undecided as of yet.

Barry Loman, chairman of the board, said that a person in the teaching profession with a sports background would be suitable, and that the job would be a year-around one.

In other action the board approved expenditures for the purchase of a jump board, wrestling mat cover for the Community House; the purchase of a new motion picture projector; and the installing of posts behind Nidmighous school on park grounds.

The board also gave final approval for a bronze marker honoring Ernst E. Sieveking to be placed at the entrance to the Sieveking Gardens. Sieveking was park district superintendent from 1921 until his death in 1962.

SOCIETY

Coolidge Open House Set Nov. 8

Announcement that a National Education Week open house will be held Nov. 8 at Coolidge junior high school was made during Monday night's PTA meeting at the school, presided over by Mrs. V. H. Thorne, president.

Speakers were Ralph Frohardt, principal, and School Supt. Russell D. Johnson. It was the first general meeting of the PTA, and Frohardt introduced teachers.

Supt. Johnson spoke on compulsory school attendance through a child's 18th year, changes in education techniques, junior colleges and newly-enacted federal legislation.

The flag ceremony was conducted by Girl Scout Cadette Troop 231 of the First Presbyterian Church, and the PTA prayer was read by Mrs. Ruth Knapp, vocal teacher, Mrs. Jane Hileman and a group of ninth grade students sang the Illinois PTA song, "Take Pride in the PTA."

Mrs. Ida Hanfield, district PTA director, installed the following officers: Mrs. Mary Lou Swann, first vice-president; Mrs. Ruth Knapp, second vice-president; Mrs. Jo Ross, secretary, and Mrs. Wilma McKinney, treasurer.

Refreshments were served.

Calcium Important In Adult Diet

Adults do not outgrow their need for calcium, the mineral element that gives bone its strength.

Today's research shows dramatically that bone constantly remodels itself — new bone is built while old bone dissolves. Usually a stage is reached in which calcium intake and output are about equal. At this stage, an individual theoretically is satisfying his needs for calcium, and he is "in balance."

The food and Nutrition Board of the National Research Council has used the results of intake and output experiments to arrive at a recommended daily calcium allowance of 800 mg. for adults.

Grownups should allow themselves this much calcium because of constant loss through kidneys, intestines, skin, nails and hair. Unfortunately, we cannot utilize all of the calcium we eat, and only about one-third actually gets into the blood stream where it can be used for bone growth and repair.

If the calcium needs are not met, bones may fracture easily and curvature of the spine may develop, along with pain in the lower back. This condition is known as osteoporosis. Studies made by the National Institute of Health show that about 30 percent of the middle-aged and older people in the United States have the disease. It is becoming apparent that calcium may be the most common dietary deficiency in the United States today.

The easiest way to meet the recommended calcium allowance is to drink two cups of milk a day to accompany a diet that is adequate in other essential nutrients. Without using milk in the daily diet it is impossible for a person to get the needed calcium even though he eats generous amounts of green leafy vegetables (the nonmilk foods richest in calcium).

Needs for calcium vary, and the Food and Nutrition Board has tried to specify an intake that will contribute to good health in the majority of the population.

Former Local Resident, Mrs. Oda Kline, Dies

Funeral services were held last week in Donaldson, Ill., for Mrs. Oda Pearl Kline, 72, a former 25-year resident of the Quad-Cities and wife of Mayor J. C. Kline of Donaldson. In failing health with a kidney and heart ailment for about five years, Mrs. Kline died Oct. 18 at the Hillsboro Hospital, where she had been a patient for two weeks.

The family had left this area about ten years ago and have made their home in Donaldson since that time. Mrs. Nora Miller, 1331 Edwardsville road, a niece of Mrs. Kline's, returned here this week after remaining with the family for the past two weeks.

Besides her husband, Mrs. Kline is survived by a daughter, Mrs. Lanetta Huber of Donaldson; a sister, Mrs. Mary Dearinger, 2021 Edwardsville road, Madison; one brother, Charles Sutton; and five grandchildren.

Report Presented On NARC Meeting

Highlights of the 1965 convention of the National Association for Retarded Children were summarized Monday night by Mrs. Evelyn Gavin and Mrs. Mary Lou Neumann, who recently attended the annual conference in New York City. Their resumes were heard at a meeting of the Granite City Association for Aged and Retarded Children held at St. John United Church of Christ.

Mrs. Gavin, GCAARC president, reported that Gov. Nelson Rockefeller of New York gave the welcoming address and presented the 1965 NARC Distinguished Service Award to Wilbur J. Cohen, Undersecretary of the U. S. Department of Health, Education and Welfare.

The delegates also viewed the premiere performance of a movie, "Selling a Guy Named Larry," which is to be shown to the country during the next three years, in efforts to encourage hiring of retarded and handicapped persons.

Workshops and business meetings were held. Mrs. Neumann said, and a talk was given by Sen. Robert F. Kennedy at the concluding luncheon. "Employer of the Year" awards were presented to Hutler's Co. of Baltimore, Md., which has staffed restaurants for the past 20 years with retarded personnel. Other certificates of merit were presented to the Honolulu Laundry and Remko Toys Co. for similar achievements, Mrs. Gavin said.

Cubmaster Albert Beedle of Cub Pack Two, sponsored by the association, reported on a tour of the Nike missile site near Grafton, made by the youngsters Friday.

Plans were announced for the GCAARC's tenth anniversary program to be observed in November when Joseph Buddie, director of the Altus sheltered workshop for the handicapped, will address the group. Buddie is expected to discuss the formation of a similar workshop for the Quad-City area.

Speeding Charge Filed

James D. Castille, 2118 Missouri avenue, was arrested at 11 p.m. Monday on a charge of speeding at 14th and State streets. He was released on \$25 cash bail pending a hearing by Nov. 4.

Stop Sign Charge Filed

Sam Amisch, 2606 Madison avenue, was arrested at 2:25 a.m. Tuesday on a charge of running a stop sign at 21st and State streets. He is to appear for a hearing by Nov. 8.

Vincennes Offers Review Of Midwestern History

By JOHN W. ALLEN
Southern Illinois University

George Rogers Clark's expedition to retake Vincennes left Kaskaskia on February 5, 1779, a rainy day. It arrived on the east bank of the flooding Wabash a short way south of town 18 days later.

Two days later British General Henry Hamilton surrendered Fort Sackville to Clark and his men along with such a measure of control as the British held over much of the territory that now comprises Ohio, Indiana, Illinois, Michigan and Wisconsin and some parts of Minnesota. It was not a bad three weeks accomplishment for a military force of less than 200 men.

Vincennes was not a large town. Even when the garrison stationed there was included with the whites and resident Indians, Negro slaves and/or pan, there were at most only a few hundred people.

Diverse Population

Though small the population was diverse. It included trappers, both Indian and white, traders, farmers or habitants, and necessary artisans. It also had, from time to time, members of an unorganized class of seemingly aimless forest wanderers that are remembered by their French designation of "coureurs de bois," unlicensed traders with itching feet who wandered through the forest from Indian camp to Indian camp, often alone and beyond the territory explored by those sent to trade for the furs gathered by the Indians.

There were other organized and licensed groups who paddled their laden canoes along the streams and carried them over casual of visitors.

Two bells have served the church. The older and smaller one that still hangs in the church came from France in 1752. It has called the faithful to worship, sounded vespers and summoned the people to hear both joyous and sad news. A larger and later bell cast with its name, Mary Ann, upon it, is on the porch of Vincennes Seminary, just back of the Cathedral.

One should not go away without visiting the crypt under the main church where Bishop Brute, first to hold that office at Vincennes, and three of his successors, are buried and to observe painted on the ceiling the One is callous indeed who can flag the four nations that have flown over Vincennes.

Old Burying Ground
Near the Cathedral is the old French Burying Ground, the final resting place of priests, Indians, slaves, pan, soldiers, officials and many a habitant. The grave of Father Rivet, designated as the first public school teacher in Indiana Territory, governor of Indiana Territory, victor over the Indians at Tippecanoe and ninth president of the United States. Then there is the old printing of Frances Vigo, Spanish trader territorial capital and Fort Knox

There are numerous other places that visitors find of great interest. One of these is "Grouse land," the home of William Hened as the first public school teacher in Indiana Territory, victor over the Indians at Tippecanoe and ninth president of the United States. Then there is the old printing of Frances Vigo, Spanish trader territorial capital and Fort Knox

Anyone interested in the history of the midwest will find much to enjoy in Vincennes.

The present church was begun in 1826. With its ageless look, soft red brick and a calm dignity not easy to describe, the Old Cathedral impresses the most casual of visitors.

Two Windows Broken

Two front plate glass windows were broken at Bertacchi & Sons, 2609 Kate street, by rock-throwing vandals, it was reported to police by Primo Bertacchi at 7:35 a.m. Tuesday. He said two large rocks and cinders were hurled after his establishment was closed at 4:30 p.m. Monday.

Two Motorists Fined

Donald Busmeyer, 2228 Edna street, was fined \$100 and costs Monday on a charge of driving without a license, and Harold Klemm of the same address was fined \$30 on a charge of permitting an unauthorized person to drive Monday by Magistrate Hiscott.

ral to the Attorney General of the state of Illinois for prosecution under the proper statutes for misappropriation of trust funds."

At the hearing Oct. 18, in the Statehouse at Springfield, James Krause, 804 East 69th street, East St. Louis, field auditor of public accounts cemetery division, was called as a witness on behalf of the state auditor.

Krause said he examined the records of the Sunset Hill Cemetery Association of Granite City in July and August 1965, and the findings were a discrepancy in the Care Fund of \$51,067.

He was not cross-examined at a hearing by two accountants, both of whom are mentioned in the state auditor's letter—Seiz and Worthen. In testimony made by Seiz at the hearing, he said he was representing the state auditor's letter, but later acknowledged under questioning that neither he nor Worthen had been of attorney to act for Karandjeff.

Seiz did make this statement at the hearing:

"We have no difference with the figure which has been brought up by Mr. Krause (referring to the \$51,067). This is in complete agreement, I may say."

"You are in this agreement with Mr. Krause's audit on that particular figure?" Seiz was asked by the examining officer, Thomas W. Tearney.

"On that figure, right. I would like to put into the record that we have not made an audit in accordance with what is generally accepted as American Institute of Accounting practices as by Herbert Lowry, a member of an audit. We came into this

audit approximately a year ago. Prior to this time, the records were maintained by C. J. Schlosser, certified public accountant of Alton, who maintained the records of the Cemetery Association at that time."

Later in the hearing, the hearing officer, Tearney, addressed both Seiz and Worthen.

One Fund Owes Another

"Gentlemen: if you have no objection, and conducting this examination, I certainly have no objection, to incorporate by reference again your analysis of the particular Care Fund of the Sunset Hill Cemetery Association which wherein it shows a discrepancy of \$51,067 which is owing and due to the Income Care Fund of this association pursuant to the Income Care Act of the State of Illinois. Is that correct?"

"Right," Worthen answered.

Karandjeff is board chairman of the Granite City Trust and Savings Bank. The state auditor said he is directing other officers of the bank to show cause why the cemetery license should not be revoked because the bank is the beneficiary of the association's funds.

The bank assumed management of the Sunset Hill Association on July 1, 1963, according to records of the Department of Financial Institutions. The state auditor considers the "beneficiaries" term is for unaccounted funds of \$11,260 in 1958, \$18,063 in 1959, \$44,897 in 1960, \$43,865 in 1961 and \$53,121 in 1962.

Karandjeff pointed out that all the records of the cemetery on the cemetery funds had been satisfactory until the switch in jurisdiction at the state level. He said the investigation is being supervised by Herbert Lowry, a member of the state auditor's staff and the

Democratic state central committee for the Rock Island area.

Handled by Auditors

"The Trustees of the cemetery are surprised and grieved of the news item that has apparently been released from Springfield. This matter of method of accounting has been in the hands of our auditors throughout many years and reports have been filed with the Auditor of Public Accounts annually, as required."

"Our letter to the Auditor is self-explanatory. The accounting method has been changed since the Granite City Trust and Savings Bank has been retained as the collection agency, and is in full accord with the present requirements of the auditor's office."

The difference in accounting dates back for a number of years prior to July 1, 1963 when the method of accounting was changed to conform to the auditor's requirements when the duties were entrusted to the Granite City Trust and Savings Bank.

"May we also mention that the investment account in the Cemetery Care Fund now amounts to \$146,068 and the present market value of these securities is in excess of \$185,000 or an appreciation in value of over \$39,000. Moody's Investors Service, Inc. are the securities consultants for the investment of these funds."

In his letter to State Auditor, Howlett, Karandjeff stated:

"I am in receipt of your letter of Oct. 26, 1965 and regret exceedingly that a great deal of misunderstanding has apparently arisen in connection with the accounting methods of the Sunset Hill Cemetery Association prior to the time that these matters were turned

over to the Granite City Trust and Savings Bank."

"I am deeply grieved to learn that there seems to be a feeling that there has been a disregard of commitments previously made, because that certainly is the very last thing in the world that I, or any of our people connected with the Sunset Hill Cemetery Association, would want to do. I am very sorry that I could not attend the hearing held Oct. 18th and in explaining my difficulties for that day to your field auditor on Oct. 17th, he assured me that inasmuch as our auditors would be representing us, it was not imperative that I be present."

"May I respectfully inform you that the trustees of the Association have today considered your letter and requested our auditors, Messrs. Seiz and Worthen of the accounting firm of Bohl, Deeken and Seiz, and also Roland W. Griffith Jr., attorney-at-law, and also members of the board to arrange a meeting with you or members of your organization at which you may designate, at your very earliest convenience, that so speedily and satisfactory arrangements may be made and this matter disposed of to your entire satisfaction."

Solves Nothing

Self-sympathy leads nowhere—it's a one-way street that leads only to misery.

Sincerity

Tolerance should be a part of every one's life—not just a matter of conversation.

To meet the high cost of living, the imagination isn't the only thing that has to work.

Adult Civil Air Patrol Squadron to be Formed

Plans to incorporate a new adult Civil Air Patrol squadron in the Granite City civil defense program were outlined by Victor H. Koenig, CD director, who presided at a meeting of the GC CAP advisory board yesterday in the training center, 1411 Nineteenth street.

Koenig said the new CAP adult corps is composed mostly of flyers from the Mitchell and Granite City areas. They are forming a wing detachment to provide service in surrounding districts.

At present, the Granite City CAP squadron, a group of young persons, coordinates its program through the local CD. Its teenage members utilize the headquarters for meetings and classes, Koenig said. An offer to provide the same services to the new adult squadron has been made.

John Becker has been appointed as its auxiliary police chief, replacing Clyde Myers, who had held the post several years.

Koenig said 37 public fallout shelters have been licensed by the federal government, with 14 now stocked with emergency supplies. Provisions for 11 additional shelters are at the Army Depot and awaiting distribution.

Shelter space for 11,917 Granite City residents is now available.

Too Late

A weekly meeting of Girl Scout Troop 158 of the Maryville PTA was held Monday afternoon at the school. Debbie Bell opened the meeting with the flag pledge, followed by the scouts forming patrols. Patrols One and Four worked on badges and scout laws, Patrol Two held a party and served refreshments to the troop members and Patrol Three made Halloween pumpkins and worked on badges.

Mrs. Betty Bell, leader, presented badges.

Those present were Robin Baker, Debbie Bell, Cheryl Bennett, Karen Boyett, Pam Gajich, Kathy Gueswell, Jo Ann Kelly, Patty Lathrop, Mary Mitchell, Karen Rottler, Jo Ann Stout, Patty Tester, Kim Thompson, Peggy Whittington and the co-leader, Mrs. LaVerne Malzynski. The next meeting will be held at the school Nov. 1.

UNITED FUND PROGRAM FOR ALTAR SOCIETY

A monthly meeting of the St. Elizabeth Catholic Church Altar Society was held Tuesday evening at the school cafeteria, with 54 members present.

Mrs. Ann Pure, president, conducted the business meeting and offered prayer. Reports were given by committee chairmen, and Mrs. Anneliese Gyarmati reported plans to aid the school library at the school cafeteria, with 54 members present.

Mrs. Pare said tickets are now being sold by officers of the society and officers of the Holy Name Society for the annual Christmas party Nov. 27 at the Lewis and Clark restaurant, East Alton.

The program was presented by

PAPER BAG HALLOWEENERS are youngsters of the YMCA pre-kindergarten center with their "costumes." The present class is filled, but enrollments are being accepted at the YMCA for possible start of a second class.

John Solenberger, executive director of the United Fund, who presented a film strip, "Nobody's a Stranger." He spoke on the ways the United Fund operates and the manner in which the collections are distributed. A question and answer period followed.

Refreshments were served by Mrs. Monica Frey and her co-hostess, Mrs. Mary Ellen Becker. The serving table was decorated with a fall motif, using orange and gold mums with lighted yellow candles on each end of the table.

The Madonna was awarded to Mrs. Margaret Rimarchick, and Mrs. Mildred Roberts won the "angel of the month." The school attendance banner went to Miss Juliana Hoedebeck's room for the largest number of mothers present.

The next meeting will be Nov. 23 at the school cafeteria.

WORKSHOPS FOR GIRL SCOUTS, BROWNIE LEADERS

Mrs. Jackie Fritzell, Girl Scout Neighborhood One chairman, presided over a monthly meeting Monday evening. The group met in the cafeteria of the Harris school.

The meeting dealt with the Brownie program, as there are a number of new leaders. The Brownie ceremony was used for the opening, and new Brownie songs were sung.

Plans were made for a Brownie workshop Nov. 4 at the YMCA for leaders. A Cadette workshop will be held Nov. 10 in the Press-Record conference room. The leaders were reminded of a dinner being held at 6:30 this evening.

Mrs. Bernadine Weidner, hostess, served refreshments to Mesdames Maxine Tawney, Trishna Skelly, Mae Hendrickson, Rose Lawrence, Janet Werner, Winnie Sasyk, Pearlene Sasyk, Sharon Dennis, Florence Durrer and Linda Noud. The tunnel song was used as the closing of the meeting.

MEET FOR CANASTA

The Chatter Canasta club met Tuesday evening in the home of Mrs. Jeannine Stefanoff. Canasta was played upon the arrival of Mrs. Annie Laura Platt, Mrs. DeLoyle Rhoads, Mrs. Billie Bosworth, Mrs. Mattie Bosworth, Mrs. Rae Miller, Mrs. Bernice Gushell and Mrs. Sally Bosworth.

Mrs. Sally Bosworth held high score, with Mrs. Rhoads low. Lunch was served by the hostess from tables decorated with a Halloween cloth and napkins. Mrs. Sally Bosworth will be the hostess of Nov. 23 in her home, 1680 Second street.

REBEKAHS TO HOST DISTRICT MEETING

Tuesday 780 Rebekahs met Tuesday evening with Mrs. Louise Ebersold, noble grand, presiding. Final plans were made for the 26th district association meeting to be held at 7 p.m. Nov. 9 at the Madison recreation center. The public will be invited to attend.

Nineteen members and Mrs. Agnes Meng of Granite City attended the meeting.

White Way Being Planned For 'New' Nameoki Road

A white way system along the new Nameoki road—once the widening-repaving job is done—is being planned by the Granite City Council.

Alderman Fry recommended the mayor confer with Illinois Power Co. representatives to propose a plan that would provide lighting similar to the system along Madison avenue. The white way cost would be borne by the city.

Requests also were made for the state to patch the roadway. The city hopes to eventually re-surface Missouri avenue and has allocated about \$10,000 for that job and to make immediate repairs to sections of Niedringhaus avenue near the Army Depot.

The state also is to be asked if a weight limit restriction can be placed on Missouri avenue.

The city provides the city with about \$900 a year to repair and remove snow from Missouri avenue and that he believed the sum was inadequate.

He agreed to confer with state highway officials on the projects requested by the council members.

"I'm practically living at the state highway headquarters, anything along Madison avenue. The white way cost would be borne by the city."

The state also is to be asked if a weight limit restriction can be placed on Missouri avenue.

Two Charged in Holdup, One Beaten and Robbed

Two holdup men were arrested on armed robbery charges by East St. Louis police this week after one told police he was beaten and robbed by a third member of a bandit group early Monday.

Charged were Leon Lucas, 27, of 105 Carver street, Eagle Park Acres, and Hillman Rainwater, 41, of Rockdown, Ill., who reported the beating and robbery to East St. Louis police.

He said the trio of bandits took an undetermined amount of money, a wrist watch and a ring at the Henry Penny restaurant in East St. Louis after leaving a tavern in Madison. He said he received \$3 of the loot and they returned to the tavern, but after he left, he was beaten and robbed of \$45 in the parking lot by the third man and another unidentified man, both of whom were not identified.

Lucas was arrested by Madison county sheriff's deputies. The two were held in lieu of bail pending preliminary hearings.

Driver Fined \$100

Jesse Gillespie, East St. Louis, was fined \$100 and costs Monday by Magistrate Hiscott on a charge of driving without a license. He was arrested Saturday by Granite City police.

Madison Thefts, Police Solutions Show Increase

The number of burglary and theft cases in the city of Madison during the three-month period of July, August and September almost doubled over the same period of a year ago, but police solution of such crimes also increased to 33%, according to Madison police reports.

Statistics on theft cases of all kinds show a total of 65 cases during the three-month period this year, compared to a total of 34 within the same time span in 1964. Peculiarly enough, no armed robberies occurred during the period either in 1964 or 1965, and all theft crimes during the three months were confined to burglary, attempted burglary, larceny cases and one auto theft.

The survey shows that police solved seven of the 34 cases occurring last year, a record of 20% solution. This year, during the same period, police solved 21 of the 65 cases reported, or approximately 32%.

Mostly Minor Thefts

Greater portion of the crimes during the three-month period both in 1964 and 1965 consisted of petty theft cases. In 1965, a total of 45 of the 65 cases reported were ordinary theft cases, and 41 of these involved property or cash losses of less than \$50 in each case.

The 1965 cases also included ten burglaries involving forcible entry, one burglary involving involuntary entry without forcible entry and seven auto thefts. Also included in the report were two attempted burglaries in which entry was not gained.

During 1964, in the same three

months of July, August and September, the total of 34 crimes included 24 larceny cases, with 22 of these involving losses under \$50. Six burglaries of forcible entry, one involuntary entry without force and one attempted burglary also were reported, along with one auto theft.

Cases Solved in 1965
Police solved four of the 1965 burglary cases, 11 of the larceny cases and six auto thefts, a total of 21 of the 65 cases reported. In 1964 police resulted in solution of two burglary cases, four larceny cases and one auto theft.

August was the predominant month for all classes of thefts in both years. Of the 34 burglary, larceny and auto theft cases reported during July, August and September last year, 15 occurred during August. This year, 34 of the total of 65 cases reported during the entire period occurred during August.

Of the 21 cases solved this year, 12 of them involved youths under 18 years of age, the report shows, while last year, six of the seven cases solved involved defendants under 18.

Man in Shoplifting Charge Bound Over
Charles Mitchell, 24, of 1123 Bissell street, Venice, was bound over to the Madison county grand jury on a theft charge, shoplifting at the J. J. Newberry Co. store. He appeared before Magistrate Hiscott Monday.

He was held in the city jail in lieu of \$3000 property bond or \$500 cash bail.

Mitchell was spotted by Granite City patrolmen at about 10:15 a.m. Monday at 19th and State street and then began to run, ducking into an alley. Officers found he had three sweaters valued at \$16 which were identified by the store manager.

Mother of 2 Local Residents Dies

Mrs. Mae Kesterson, 84, of Keyesport, Ill., the mother of two Granite City men, died Monday, at Breese, Ill., hospital, where she had been a patient for one week. Death was attributed to uremic poisoning, resulting from a kidney disorder.

Local survivors include Leonard Kesterson, 2342 Woodlawn avenue, and John D. Kesterson, 1949 St. Clair avenue.

Mrs. Kesterson had been in comparative good health prior to her recent illness. She had made her home with her oldest son, Vernal Dewey Kesterson, in Keyesport, since the death of her husband, John Thomas Kesterson, in 1948. She was a member of the Pentecostal Church.

Other survivors are four daughters, Mrs. Rosalee Guthrie and Mrs. Dixie Worley, both of Mulberry Grove, Ill., and Mrs. Lillie Thompson and Mrs. Fern Grieman, both of Chicago, and 14 grandchildren.

Funeral services were held yesterday afternoon in Keyesport.

Mrs. Amanda Siebert, 73, Dies; Ill 6 Months

Mrs. Amanda Rose Siebert, 73, of 2344 State street, a Granite City resident for 59 years, died at 1:45 a.m. Tuesday, at St. Elizabeth Hospital. In failing health with a heart ailment for more than six months, Mrs. Siebert had been in the hospital for 19 days.

A native of Marine, Ill., Mrs. Siebert had lived for several years in Venice prior to moving to Granite City. She was a member of St. Joseph's Catholic Church and the Ladies Altar Society. Her husband, Edward, died in 1960.

She is survived by four sons, Roy and George Siebert of Granite City and Edward and John Scherer, all of Granite City; and ten grandchildren. Funeral services were held yesterday. Other arrangements are given elsewhere in this issue.

Fire Damages Two Cars In GC Monday

Firemen were called to two auto fires Monday, including one at 18th street and Edison avenue where a short circuit in a coil wire caused \$50 damage to a 1955 auto owned by Mrs. Mary Martenson, 2503 Iowa street.

The other was at 1200 West Pontion road where a broken oil line caused \$15 damage to a 1955 auto owned by William Prewett, 2727 Benton street.

Parked Auto Struck

An auto owned by William M. Hone, 620 Fleming place, parked at 22nd and Iowa streets, was struck in the front by another driven by Edward L. Grider, 2158 Grand avenue, at 4 p.m. Monday.

Information Booth To Be Built in City Hall Lobby

Erection of a receptionist-information booth in the second floor lobby of the city hall was approved Monday night by Granite City council members with award of a contract to Bergschneider Cabinet Co., Granite City.

Southwestern Bell Telephone Co. was authorized to relocate the city hall switchboard from the anteroom in the mayor's third floor suite to the receptionist booth.

Bergschneider bid \$575 for the cabinet work, while other bids amounted to \$765 and \$890. Relocation of the switchboard will cost \$347, and the booth also is to be equipped with a heater and air-conditioning unit in the future.

Mayor Partney advocated the booth upon taking office last May for the convenience of visitors to the city hall.

A suggestion also was made that light standards outside the city hall be repaired or replaced. The present standards are at the three entrances to the building.

Junior College Plan To Be Outlined

A meeting in which procedure for establishing a Junior College District in Madison county will be explained is planned Monday at Sunset Hill Holiday Inn, Edwardsville, it was announced by Wilbur R. L. Trimpe, Madison county school superintendent. The meeting will be open to all interested citizens and reservations are being made through Trimpe's office.

The dinner session will begin at 6:30 p.m., followed by presentations of the Junior College proposals by Gerald Smith, executive secretary of the Junior College Board. Efforts also are being made to bring Harold Kirkhus, research director of the Peoria Board of Education who assisted in a tri-county report and survey in his area.

Dean Howard Southwood of Southern Illinois University will speak on advantages of the Junior College.

Under new state legislation, counties or specific areas may organize junior college districts which may extend taxes and participate in state and federal grants. The law also requires school districts to pay tuition of students who wish to attend any junior college of their own choosing unless the district has a junior college district of its own.

Niedringhaus Church Plans Special Service

Reformation Day will be observed in services Sunday at Niedringhaus Memorial Methodist Church. The minister, Rev. R. Paul Sims, will preach on the subject "Wanted: A Twentieth Century Reformation" at both the 8:30 and 10:40 morning services.

In the 10:40 service a children's sermon will be delivered by Rev. Robert L. Lorentz, the assistant minister.

The youth choir will sing an anthem at the 8:30 worship service, and the adult choir will sing at 10:40. Both choirs are directed by Warren G. Simpkins, director of music at the church. Accompanists will be Miss Sheila Gibbs and Mrs. Russell West.

Kiwanis Elect P. F. Jellen, Hear Talk by Truant Officer

Peter F. Jellen was named president of the Granite City Kiwanis Club at a dinner meeting Monday evening in the Reese Bowl restaurant, which featured James R. Lowder, truant officer for the Granite City school district, as the guest speaker. Jellen is a general contractor and lives in Edwardsville.

Other new officers elected to serve with Jellen for the ensuing year, are: Melvin T. Gillie, first vice-president; Michael Tondar, second vice-president; Marvin Barnes, treasurer; and directors, Eugene Frey, Robert Lombardi, Eugene Frey, Bernard Miller Jr., Roy Graham, Guy Chism and Herbert R. Schannott, the retiring president.

Lowder, who is serving as the

community's first truant officer in many years, discussed the state law which provides that all youngsters between the ages of seven and 16 years must attend a public, private or parochial school. He said 42 cases of truancy were handled by his office in September, including 18 repeat cases.

Reasons for truancy Lowder added that most cases occur because of failure to keep up with studies and for social and economic reasons. However, he continued, some students discontinue their schooling to baby-sit at home with younger children while parents work, to take jobs themselves, or in a few cases, because of a lack of suitable clothing.

Kiwanis were started to learn

that the largest infraction of the attendance rules in local schools, occur at Coolidge and Prather junior high schools, with high school students rated third and elementary pupils, fourth.

The truant officer explained when attendance violations occur he first informs parents personally. Later, an official letter is sent. If the situation continues, he added that an initial warrant can be served on a parent or guardian which may result in a \$10-\$20 fine and one-to-five-day jail sentence. Penalties for a second offense, Lowder said, can range between a \$20-\$50 fine and 25 days in jail. Complete records of all infractions are maintained in the school board office, the officer said.

Next week, the guest speaker

will be A. J. Wilson, a sixth grade teacher at Lake school, who will explain his unusual approach to classroom instruction through utilizing current events published in newspapers.

Mill Increases GC Fire Truck Fund to \$54,000

An increased amount of \$54,000 will be received by the city from Granite City Steel Co. for purchase of an aerial ladder truck and other firefighting equipment it was brought out during Monday night's council session.

The council members were 20 minutes late in starting Monday night's meeting due to a locked-door session in the mayor's conference room with Atty. Randall Robertson, representing the steel firm.

Last week the council had agreed to a \$50,000 figure in exchange for streets and alleys in the "behind-the-mill" area.

The new \$54,000 compromise figure represents the difference between the estimated \$50,000 cost of the snorkel fire truck the city originally wanted the steel firm to furnish and the \$7,000 initial bids. The snorkel truck specifications later were changed and the bid price was cut to approximately \$54,000.

City Changes Decision
In the meantime, the council changed its mind on the recommendation of Fire Chief Earl Fronbarger and decided to get an aerial ladder fire truck, instead of the snorkel.

If then became necessary to amend the resolution adopted last January in which the council specified that Granite City Steel should give the city a snorkel truck in exchange for the streets and alleys where the firm is building its basic oxygen furnaces in its \$140,000,000 expansion-modernization program.

The amendment was approved by the council during Monday night's meeting. The \$54,000 is to be deposited in a special bank account for the city's use to buy the aerial ladder truck. If any

Goldfish Give-away At 8 a.m. Saturday

Hundreds of goldfish—two to each child—will be given away at 8 a.m. Saturday at Wilson Park as long as the supply lasts. Supt. Harold Brown reminded children of the Granite City park district today.

Each youngster must furnish his own container to carry the fish away, and Brown is advising youngsters to arrive early. The give-away is to start at 8 a.m. in the vicinity of the park ponds which are in the gardens near the 27th and Delmar avenue entrance.

The district gives the fish away each year to save maintenance expenses during the winter months.

money is left over, it will be earmarked for the purchase of other types of firefighting equipment.

Placed on the second reading by the council was an ordinance to vacate sections of Omaha street and Park avenue and alleys north of 21st street for Granite City Steel Co. which owns the abutting property at its North Plant.

Property Appraisal
Appraisal of the streets and alleys for their sale to the steel firm was authorized.

Alderman Moerlen commented that the steel firm has been most cooperative to the city in carrying out repairs and relocation of city sewers located on the mill's property.

"This is only a small bit of property and the city should take in consideration all that the firm has done. I think we've been dealt with fairly and that we're doing the wrong thing," he added, referring to the appraisal.

The amount set for the snorkel truck in exchange for the "behind-the-mill" streets and alleys was based on the price of a section of 21st street sold to the Nestle Co. last year.

Koenig Represents City At U.S. CD Conference

Victor H. Koenig, Granite City civil defense director, returned earlier this week from the 14th annual Civil Defense Conference held in Las Vegas, Nev. Delegates from all 50 states were among the 1200 civil defense leaders and government officials who participated.

The majority of the speeches, roundtables and seminars concentrated on present and future means of preventing death and damage from nuclear attack, natural disasters and accidents affecting large portions of the populace.

The federal public fallout shelter program, emergency supplies and coordination with other major disaster organizations, such as the Salvation Army and the American Red Cross, also were covered in discussion periods.

One of the highlights of the convention was a trip to the Nevada Atomic Test Site and the Nuclear Research Station, after Gov. Grant Sawyer of Nevada reached an agreement with union leaders

'Y' World Service Candy Sale to be on Saturday

About 250 members of Teen Town Tri-Hi-Y clubs will attempt to raise \$1000 in their annual YMCA World Service candy sale to be held from 9 a.m. to 5 p.m. Saturday.

World Service is the overseas program of YMCAs of North America. It provides youths with motivations for a better life and trains them in skills to achieve it, in addition to experiences in the techniques of democracy.

A World Service committee has been elected from each of the participating Tri-Hi-Y clubs. They are:

Alpha Beta Chi, Marsha Galloway, Suzanne Reiman and Phyllis Rosenberg; Chi Lambda Chi, Dottie DeWitt, Jeannie Gradienoff and Janice Harding; Gamma Tau, Linda Burnett, Cheryl Harlow and Barrie Massie; Lambda Omicron Theta, Nancy Drew, Donna Summers and Ginger Briggs.

Omega Rho, Lynn Sneed, Pam Parkinson and Nancy Vesco; Omega Tau, Gayle Koser, Chris Dye and Janice Kreher; Pi Lambda Chi, Janet Line, Barbara Lenzi and Sherry Howard; Sigma Rho, Debbie Byers and Nancy Hanks; and Gamma Omega Delta, Valerie Valicoff, Gail Schermer and Linda Jones.

The committee members are arranging schedules for the sale of candy, thin mints, for members of their particular clubs. The chocolate-covered thin mints, in an 18-ounce package, will sell for \$1. The girls suggested they could be used to provide candy for Halloween trick-or-treaters and at the same time support the World Service program.

Local PEO Chapter Plans Area Meeting Participation

Chapter HT of the P.E.O. Sisterhood met Monday in the Presbyterian manse, 30 Oaklawn drive, with Mrs. David B. Maxton as hostess.

Luncheon was served to 16 members and the program for the day consisted of the exemplification of the P.E.O. ritual. Mrs. Thelma Baker was in charge at the meeting.

Plans were completed for the annual joint meeting of the East St. Louis cooperative board of the Sisterhood at Immanuel Methodist Church in Edwardsville Friday. Registration will begin at 11:30 and luncheon will follow. Mrs. R. W. Kerch of this city is board president.

Members of nine chapters in

Belleville, Collinsville, East St. Louis, Edwardsville and Granite City will attend the meeting, as well as representatives from a new chapter to be organized in Granite City Nov. 13.

The speaker for the meeting will be Mrs. Jessie Parks Benson, a past state president of the Illinois Chapter of P.E.O. Mrs. Evan Griffith of Granite City will play the piano.

A CONTINUING NEED FOR REFORMATION

SPRINGBOARD:

STIRRING EXCERPTS FROM OSBORN'S
PLAY "LUTHER"

PANEL DISCUSSION:

BY: LUTHERAN

OPEN COMMENTS:

AUDIENCE

Traditionally, by mass Reformation Services, Lutherans have observed the Reformation by remembering it as a point in past history. Many have felt that the only accomplishment was a thankful, backward look with little, if any, incentive to live into the Reformation today. In order to make the Reformation issues more alive, the St. Louis Council of Lutheran Churches is offering a panel reaction to Osborne's play, LUTHER, with its implication for today. Participating on the panel will be Lutheran, Protestant and Roman Catholic clergymen.

The Quad-City Lutheran Bureau brings this open hearing to Granite City and invites the community to participate in the presentation at the:

Leroy Reece, 53, Dies Enroute to Hospital

Funeral services will be held Sunday in East St. Louis for Leroy Reece, 53, of 1443a N. Tenth street, St. Louis, who died of an apparent stroke at 5:10 p.m. Saturday. Mr. Reece expired enroute to Cochran Veterans Hospital, St. Louis, where he was being taken in an automobile by his nephew, Cleveland L. Johnson, 291 Watson road, Madison.

A world war II veteran who served overseas, Mr. Reece had been in ill health for some months. He had been employed as a packing house worker before his illness.

Bids to be Sought for Johnson Rd. Drainage

City council members Monday night authorized a call for bids for 12-inch pipe to be installed to drain the lake that forms in the 3300 block of Franklin avenue.

The bid call is subject to verbal agreement by officials of the Gorge Addition Improvement Association. City Atty. Allen is contacting the officials this week.

Property owners in the subdivision installed their own drainage lines several years ago to empty into the Nameoki storm water drainage ditch, and the city plans to tap onto the 2-inch line at the manhole at Gary avenue and Johnson road.

Alderman Sternberg, chairman of the Street committee, said one official of the improvement association had given consent and asked that others be contacted by the city.

The chairman estimated the cost of the 350-foot line at \$3000 with drainage on both sides of Johnson road.

Sternberg also reported the drainage line at Faith and Warren avenues would be completed this week. The contract was awarded last week to A. H. Seebold Co. on a bid of \$2545.

Sidewalks in Subdivisions

Proposed during Monday night's meeting was an amendment to the subdivision control ordinance to require sidewalks on both sides of streets in new areas. It was pointed out that in many new areas, sidewalks are not installed by the developer and it later becomes the responsibility of the city to make the installations as requested by the residents.

Alderman Thompson, chairman of the Personnel committee, reported the committee has had no applicants for the vacant post of city engineer but is still trying through advertisements in local

and national publications as well as professional magazines to find an engineer.

In other business, the council received a report that condemnation of hazardous properties in the city was being completed and should be cleared for razing by next month.

The police department is to be provided with a list of advertising signs now located on city property and creating visual hazards for motorists. Alderman Fry requested the removal and said he had a partial list.

Calls for Redistricting

Fry also called for a progress report at the Nov. 1 council session on the status of redistricting the city's eight wards to equalize population. The council earlier this year decided a special block-by-block census should be conducted, supervised by the U. S. Census Bureau so redistricting could be carried out in a proper manner.

He added that if the city does not proceed on its own, the number of residents of the Sixth Ward are interested enough to try to force the city to do the job, even if it means taking the matter to court.

Co-op Project For Sidewalk Through Park

A cooperative project for construction of a sidewalk through Wilson Park from Benton street to 29th street in front of Niedringhaus school was approved Monday night by Granite City council members.

Instead of an asphalt sidewalk, the city is calling for it to be constructed with concrete. Cost of a concrete sidewalk was estimated at \$2000, compared to \$1400 for asphalt.

The 725 feet of five-foot sidewalk is to be installed under a joint agreement of the city, school district and park district, with each agency paying a third. Mayor Partney was asked to confer with school and park district officials on the proposed change to concrete construction before advising the city's concrete project contractor to proceed.

200 Attend Premiere Of Steel Making Film

Present developments are making this area a steelmaking center in its own right, Nicholas P. Veeder, chairman of the board and president of Granite City Steel Co., told more than 200 area business leaders today.

In remarks at the local premiere of a new Walt Disney movie on the steel industry, he said:

"Our major modernization and expansion program at Granite City Steel, together with the iron ore development in eastern Missouri, is making this area a steelmaking center in its own right."

"Steel is a basic part of the economy of the United States and we hope the local expansion in our industry will strengthen and accelerate the industrial development of the entire local region."

The movie, "Steel and America," was produced for the American Iron and Steel Institute and member companies. It shows some of the newest equipment and latest steelmaking processes, of the kind now under construction at Granite City Steel.

Plan 'Head Start' Again Next Year

Madison County School Supt. Wilbur R. L. Trimpe told a group of 70 school administrators in Edwardsville that "Project Head Start" which met with considerable success throughout the county last summer, will continue next summer.

Trimpe said he has been given authority to operate the Project Head Start without an official administrative group. He said it will be continued next summer with "widened horizons."

Addressing Madison county school administrators at Edwardsville junior high school, the superintendent reviewed the history of efforts to set up a community action group to administer federal funds under the Economic Opportunity Act of 1964.

Smoke Signals or Radios For Police Motorbikes?

Purchase of new transistor two-way radios for the police departments two new solo motorcycles was debated at length by Granite City council members and brought forth a sage remark by Alderman Whitmer, chairman of the Police committee.

As Alderman Thompson protested the cost for the radios, Whitmer replied, "Maybe we should give the motorcycle officers bundles of wood and blankets so they can send up smoke signals."

The new radios, costing \$1000 each, are to be installed by the A & E Electronic Co., St. Louis, the only firm to submit a bid.

Lower Maintenance Cost
Whitmer explained the transistor type radios were recommended because of lower maintenance costs. He added that the present tube-type radios for the department's motorcycles are 14 years old.

Alderman Fry suggested the use of walkie-talkie units, similar to those being used by the parking meter patrolmen, but it was decided they would not be practical on motorcycles.

Public Aid Caseworkers, Parents Meet at School

Thirty parents, counselors and administrative personnel attended a meeting here Tuesday afternoon intended to foster communication and understanding between families, the Granite City school district and the Madison County Department of Public Aid.

Methods of improving attendance and study by teenage students in families receiving public aid were explored in the discussion.

Robert C. Gwin, superintendent of county public aid, participated along with Mrs. Pearl Heidinger, caseworker supervisor of the Venice branch office, and local caseworker, Mrs. Marie Anton, Mrs. Melba Jane Dillinger and Miss Tess Laue.

Central junior high school was represented by Mrs. Evelyn Fedora and Albert Rowden, counselors, and Coolidge junior high participants were Principal Ralph Frohardt, Assistant Principals James Dumont and Charles Weiss, and Counselors Keith Parker and Mrs. John Terrell.

Savings Bond Sales \$376,463 Last Month

Madison county residents purchased a total of \$376,463 in series E and H United States savings bonds in September, according to Henry D. Karandjeff, local banker and general county chairman of the savings bonds committee.

Sales in Illinois were \$25,050,554, which is 8.6% less than sales for last September and accounts for 7.3% of national sales which were \$342,490,000. Illinois purchases in the first nine months of this year reached 72.7% of the annual quota which is \$358,100,000.

REV. GODFREY PIONTKOWSKI

Resident Chaplain Assigned to Hospital

A new resident chaplain has been assigned to St. Elizabeth Hospital. He was announced by Sister Mary Thomas, administrator.

He is Rev. Godfrey Piontkowski, OFM, who was transferred here from Lac du Flambeau, Wis.

Father Godfrey's general duties will be administering to the needs of the patients in the hospital. He also will be offering Mass at the Granite City Army Depot each Sunday.

Tours, Open House To Mark Book Week

Observance of Book Week in the Quad Cities area will start Monday and continue through the week with displays of new books, tours by school classes and open house for parents.

Mrs. Mary Gene Knufinke, Granite City librarian, said new books will be placed on display in the junior and juvenile departments. Treats and small gifts will be distributed to children making school class tours through the library facilities during the week, Mrs. Knufinke said.

A feature of the week will be cancellation of outstanding fines on all books returned during the observance, at the Granite City and Venice libraries, but the Madison library will not follow this policy, according to Mrs. Blanche Keville librarian there.

Mrs. Keville, and Mrs. Andrew Brown, librarian at Venice said school class tours will be arranged for any group that wishes to tour their libraries.

Trailriders to Show Horsemanship Film

A film entitled "Introduction to Horsemanship," produced by a well-known horse trainer, will be shown at 7:30 p.m. Tuesday, Nov. 2, at the YMCA under the sponsorship of the Trailriders Saddle Club. Anyone interested in horses is invited to see the picture.

The Trailriders took part in a trail ride and wiener roast this week. The members and several guests viewed the autumn foliage and colors along the route from atop their mounts, led by William Kincaid, their president. Mr. and Mrs. George Vincent were hosts for the wiener roast.

Turkey Shoot Set at Mt. Providence School

The Men's Club of Mount Providence school, 8351 Florissant road, Normandy, Mo., will hold its annual turkey shoot on Sunday, Nov. 7, at the school grounds.

Booths, refreshments and light food also will be featured, scheduled from noon until dark. Proceeds of the shoots are used for school improvements. The club previously purchased classroom television sets, a mimeograph machine, library tables and chairs and athletic equipment. Funds this year will be used to pave the parking area at the rear of the school.

On the same day, parents may visit novices at the school, conducted by the Sisters of Mount Providence who operates St. Elizabeth Hospital and teach at St. Elizabeth's St. Mary's and St. Mark's parochial schools.

Lincoln School Plans Education Week Events

"Invest in Learning" is the theme for Venice Lincoln elementary school's of American Education Week observance the week of Nov. 7-14.

Robert Vickers, Lincoln principal, and Mrs. Lena Rush, a faculty member who is serving as Education Week chairman, announced today an "open house" from 7:30 p.m. Wednesday, Nov. 10, to which the public is invited. Parents also are being urged to participate in classroom visitation days scheduled for Monday and Tuesday, Nov. 8 and 9, at all grade levels in the school, Vickers added.

Current school projects and various activities of the pupils will be displayed. Teachers will be available to discuss students' progress, the school official said.

Partney, Rick Turner Win Football Awards at Granite

Dan Partney and Rick Turner have earned the "Chuckles Ax Murder" and "Fighting Warrior" awards for their outstanding performances in Granite City's losing effort against East St. Louis last weekend, it was announced today.

Partney started his second game at the defensive tackle spot and "was all over that field," according to Warrior coach Jim Morrison.

The 180-pound junior was constantly breaking through the big Flyer line and catching speedy East St. Louis backs behind the line of scrimmage.

He played a big part in helping to limit the Flyers to only five yards net, rushing (not counting a 74-yard Ron Lano touchdown run) during the first half.

"He did an outstanding job and he made many tackles," Morrison said of Partney.

Rick Turner, the only one of the Warriors' tri-captains who was not on the injured list, won the "Fighting Warrior" offensive award.

The senior halfback had the whole burden of ground-gaining laid upon him, as Granite City's most consistent ball carrier, Gary Johnson, was sidelined with a shoulder injury.

Turner picked up 26 yards on seven attempts and caught six passes for 29 yards during the game. He also scored the Warriors' only touchdown on a two yard run.

East St. Louis Sophs Roll Over GC, 39-7

Looking somewhat like its varsity counterpart, the East St. Louis sophomore football team rolled to a 39-7 win over Granite City sophomores Monday night on the little Warriors' home grounds.

The little Flyers did not score until late in the first quarter when halfback Tom Wiggington scooped 76 yards for a touchdown. Quarterback Steve Dart tossed four touchdown passes for the Flyers. The first one came after East St. Louis blocked a Granite City punt and the ball rolled to the Warriors' 25 yard line. Dart found Craig Dix all alone in the end zone for the score.

With 1:13 left to play in the half, Dart tossed a 23-yard pass to Wiggington. Dart's third TD pass came once again to end Dix; this time the play covered 26 yards.

His last pass, for a score came in the fourth quarter when he once again threw to Dix in the end zone, connecting for 24 yards.

With 47 seconds left in the game, Simmons stepped lightly through the Granite City line and carried the ball 48 yards for the Flyers' final tally.

Granite City's only score came late in the third quarter after quarterback Dave Snelson tossed two passes to Rich Bartling and Terry Yeager, each for 20 yards. Ronny Sheppard took the ball into the end zone from the four yard line. Sheppard kicked the extra point.

The loss leaves the GCHS sophomore team with a 3-3 record for the season. It will play Edwinstown here next Monday night.

Kuehn Held Scoreless, Keeps Scoring Lead

Held scoreless in weekend activity, Belleville's Clyde Kuehn still remains atop the pile of prep football players for the area scoring crown.

Kuehn has a total of 54 points on nine touchdowns.

Larry Overton, Cahokia, Ron Lane, East St. Louis, and Don Yarn, Highland, all share the second spot with 42 points each. Gasparovic's vs. Mexican Honor-ary, 12:45 p.m.

Recital Friday Evening At SIU-SW Alton Campus

Leslie Breidenbach, bass-baritone, will give a recital Friday at 8:15 p.m. in Southern Illinois University-Southwestern Campus Alton Center auditorium.

Newly-appointed to SIU-SW's Fine Arts Division faculty, Breidenbach holds two degrees from Columbia University and received his doctorate from the University of Michigan.

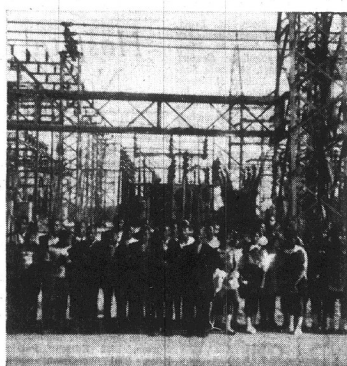

Breidenbach's SIU-SW program, free to the public, will include four numbers by Schubert, "Nachtyolen," "Seligkeit," "Lied eines Schiffers" and "Die Danksagen," and "Der Musensohn." He will also play Frank Martin's "Sech Monologe aus Jedermann," Debussy's "Trois Ballades de Francois Villon," and three poems of Walt Whitman set to music by Ralph Vaughan Williams.

The SIU-SW baritone will be accompanied at the piano by his wife, Ruth.

His background includes study under the American Theatre Wing in New York City, concert performances, radio, television, oratorio, and leading roles in the Masque and Lyric Light Opera Company of New York City. For five years he was head of the voice department at Friends University in Wichita, Kan. He is currently soloist at the First Congregational Church of St. Louis.

In 1951 he was awarded a Fulbright scholarship for study in Italy. He spent several additional years in Europe as a student and professional artist.

Hospital Group Plans Fund

The October meeting of St. Elizabeth Hospital Auxiliary was held Monday evening in the cafeteria with Mrs. Irene Argelan, president, in charge.

Plans were made for a memorial fund for the hospital to be started soon, and announcement was made of a meeting of District Nine, Hospital Auxiliaries, to be held in Alton.

The Illinois Hospital Association and Illinois Hospital Auxiliaries convention will take place Nov. 4-5 in Chicago and delegates appointed were Mrs. Argelan and Mrs. Catherine Pisel. Mrs. Elizabeth Kelly and Mrs. Marie Hampton will serve as alternates.

The group made plans for the annual Christmas party to take place Dec. 6 in the cafeteria and each member was asked to bring a toy.

A nominating committee was also appointed. The election will be held at the November meeting and the officers will be installed in December.

Sister Mary Thomas, hospital administrator, introduced John P. Drevets, recently appointed head of the public relations and educational departments of the hospital.

A guest at Monday's meeting was Mrs. Rachel Sarasa of the hospital pharmacy.

Refreshments were served in the coffee shop to 35 members and the guest and Miss Marie Zimmer was awarded the prize for the evening.

WCS EXECUTIVE COMMITTEE MEETS

An executive committee meeting of the Woman's Society of Christian Service of Niedringhaus Memorial Methodist Church was held Tuesday evening in the home of the president, Mrs. Harold Briggs, 3210 Wilshire drive.

A letter of thanks was read from Neighborhood House in East St. Louis for a contribution, and Mrs. Walter Mathis reported on the assistance received by the youth of the church in establishing a library.

Announcement was made of the general meeting of the WCS to be held Tuesday, Nov. 9, when other WCS members from Methodist Churches throughout the Quad-Cities are to be guests. The program at the meeting will be given by district officers. Fifteen were present at Tuesday's meeting.

GOLDEN CIRCLE HEARS MEDICARE TALK

The Golden Circle of Kirkpatrick Homes held a pot luck dinner Tuesday in the recreation room of the project with 75 present, including several guests to hear a talk on Medicare by a representative of the Social Security office, East St. Louis.

Mrs. Ellen Christy, president, called the meeting to order and the invocation was given by Rev. Bob Sanders. Other guests were Rev. J. Howard Claymore of Evansville, Ind., Mayor Donald Partney, Sixth Ward Alderman Jerry Parmley, and Mrs. Parmley, and Mr. and Mrs. Ted Moran.

Several new members were enrolled. The next meeting will be Nov. 9 at 2 p.m.

VACATIONIST RETURNS

Mrs. Elmer Baumbarger, 2449 East 25th street, has just returned from a vacation of ten days spent visiting her brother and sister-in-law, Mr. and Mrs. Hugh Beals and family, former Granite Cityans now residing in Grosse Ile, Mich., a sister-in-law Mrs. Helen Beals and family in Lincoln Park, Mich., Mr. and Mrs. Chris Hugener jr. and family in Urbana and Mr. and Mrs. Chris Hugener sr. in Nokomis.

Girl Scout Council Hears Nat'l. Staffer

About 30 local members of the River Bluffs Girl Scout Council were in Collinsville Wednesday to attend the regular semi-annual meeting at First Methodist Church.

Mrs. George Eubanks, council president, was in charge and the speaker was Miss Ruth Wisdom, national staff member serving as director of the Great Lakes Region of Girl Scouts-USA. An informal reception preceded the luncheon at noon.

Decorations were two 6x8-foot murals depicting the World Centers of Girl Scouting and Girl Guiding; the Scout chalet in Ad-elboden, Switzerland; and the cabana in Cuernavaca, Mexico, executed by Cadette Girl Scouts as a backdrop for the Scout display at the State Fair in Springfield the past summer.

Also on view were original sketches of the world centers from which the murals were developed, the work of Mrs. Louis Jackstadt, professional artist and Girl Scout volunteer.

Engineer's Day Set At Missouri-Rolla

An invitation to visit the University of Missouri at Rolla campus Nov. 6 has been extended to all high school and college students interested in science and engineering, and their parents and teachers.

It will be "Engineer's Day" at Jackstadt, professional artist and Girl Scout volunteer.

1472 Pupils in Area On School Aid List

The University, which was founded in 1870 as the University of Missouri School of Mines and Metallurgy.

"Engineer's Day" registration begins at the Rolla Student Union at 8 a.m., and tours of the campus will be offered until 3 p.m. In the Student Union, university faculty will be available for academic advising and counseling for prospective students.

There are 1472 pupils in the Quad-City area who are included in the Madison county school district census report required for participation in the Elementary and Secondary Education act, according to announcement Wednesday by County School Superintendent Wilbur R. L. Trimpe.

The act provides funds for programs for educationally deprived children. Trimpe said Madison county's allotment for the program is \$1,108,485.

The report shows the Venice school district has a total of 237 pupils, with 174 from families with less than \$2000 income, and 63 families with more than \$2000 and on Aid to Dependent Children rolls.

In Madison there are 588 pupils, with 378 in the first category and 210 in the second.

The Granite City figures show a total of 647 pupils with 568 in the first group and 142 in the second.

Jr. Achievers in Full Swing at GC Center This Week

Manufacture of Junior Achievement products is in full swing at the Granite City J. A. center, 3307 Wabash avenue, this week.

Embossed matches are rolling off the presses, and battery jumper cables are being mass produced and are now being sold by the achievers.

Every member of the Amsco J. A. company left the center with his hands full of home-made fudge. Amsco was a thousand dollar company last year and officers plan an even better year this week.

Thirty new achievers entered the program last week, according to Gene Rekowski, director of the center, despite homecoming activities at Granite City high school.

Permanent officers of individual companies were being elected this week and will be announced later.

Elected Club Treasurer

John Zerjal, son of Mr. and Mrs. Albert Zerjal, 1411 Madison avenue, has been elected treasurer of the Spanish Club at Illinois College, Jacksonville.

4-H GRAIN CHAMPION, Edward Buehrer, 13 (left) displays one of two grand championship awards he won in the Madison county wheat and soybean divisions. Holding the youth's second award is Melbourn Boger, leader of the Quad-City Sunrise 4-H Club.

Edward Buehrer, 13, son of entry in the corn division.

Mr. and Mrs. Julius Buehrer of Old Alton road, north of Mitchell, captured two grand championships throughout this week in the Madison County 4-H Grain Show, held last week in the Farm Bureau building, Edwardsville.

Hundreds of entries were exhibited by rural area youths ranging in age from ten to 19 years of age, who represented individual 4-H clubs.

The winning youth, a member of the Quad-City Sunrise 4-H Club, took his championship honors in the wheat and soybean divisions. He also received a blue ribbon first place award for his

Nov. 19 Deadline to Apply for NROTC Test

High school seniors and graduates have only until Nov. 19 to apply for the Navy's Reserve Officer Training Corps. Applicants will take the nationwide competitive exam on Dec. 11 as the first step toward an appointment as midshipman.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at one of the 52 civilian colleges which has an NROTC unit.

All tuition, fees and books are furnished by the Navy, and the student receives a subsistence allowance of \$50 per month for not more than four years. During summers he goes on training cruises to many parts of the world.

After completing a four-year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a career officer.

High school seniors and graduates who will be at least 17 but not 31 years old on June 30, 1966, may apply for the Navy College Aptitude Test. Application forms are available at local high schools.

second places. Corn division — Buehrer, first place; Bob Mueller, second; and Charles and Frank Mueller, third places.

Charles Mueller received a second place in the hay division and Leonard Rapp a first place win in the oats category.

The Quad-City Sunrise 4-H club, composed of 20 boys, meets at St. John's United Church of Christ. Melbourn Boger of Old Alton road serves as their adult leader. Membership is open to any interested youths.

Dad's Day at U. of I. Set for This Weekend

The forty-fifth annual Dad's Day will be celebrated Saturday at the University of Illinois where this collegiate observance originated in 1920.

Dad's Association county chairmen include James C. Louis, 2355 Pontoon road, and Ray Show, 2210 Garfield.

While the Illinois-Purdue football game will be a major highlight of the weekend, other events are scheduled. Student presented activities range from a joint Illinois-Purdue Men's Glee Club concert, Dad's Day picnic, water show, games, music and an old-time movie.

The association will meet at 10:30 a.m. Saturday in the Illinois Union, and chairmen will meet Friday and serve as hosts at a coffee hour preceding the Saturday meeting.

MIGHTY SMOOTH

(New Turbo-Jet V8)

(Even softer Jet-smooth ride)

'66 Chevrolet Impala Sport Coupe—one of 19 models with fine-sculptured new Body by Fisher

NOW! '66 CHEVROLET JET-SMOOTHER IMPALA

If you go by first impressions, you could get the idea this clean-honed new '66 is more car than you ever got in an Impala before. And you'd be right.

Take Chevrolet's newest V-8's, for instance. They're based on the famed Turbo-Jet design with aircraft-type valves, free breathing valve openings and other advances that deliver more efficient power than ever before.

Result: You can now order a 396-cubic-inch version with 325 hp. Or you can go for a 427-cubic-inch Turbo-Jet with up to 425 hp.

The ride, too, has reached a new Jet-smooth level of comfort. Chevrolet engineers went over the whole frame and body structure, refining here, honing there. They installed softer acting shock absorbers

and even gave each body style its own specially tailored Full Coil springs.

And there's more in the way of those little extras—that come as standard equipment. Like backup lights, padded sun visors and instrument panel, outside rear-view mirror and windshield washer. More in the way of custom features you can order, too, including front-seat headrests, AM-FM stereo and automatic Comforton heating and air conditioning.

How come so many improvements have been made in a car that was already America's solid favorite? That, as you'll see when you check this one out at your dealer's, is what keeps it the favorite. Improvements.

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair and Corvette at your Chevrolet dealer's.

Daughter Born to Former Resident

Mr. and Mrs. Kenneth Wiechert of Houston, Tex., former Granite Cityans, are announcing the birth of a daughter recently. The new arrival weighed eight pounds, one ounce and has been named Lora Ilean.

The mother is the former Harriet Shaffer, a daughter of Mrs. Frank Shaffer of Granite City. Mrs. Lora Wiechert of Stone Church, Ill., is the paternal grandmother.

Suit Against Gem Store

A suit for \$274 against the former Gem Furniture store has been filed by Chromecraft, Inc., in Madison county circuit court as the amount due for merchandise sold and delivered. It is one of a series of suits filed against the former local firm.

180-Voice Choir Festival To be Held on Saturday

A special feature of the Choir Festival Saturday at 7:30 p.m. at First Assembly of God Church on Grand avenue will be a 180-voice mass choir singing "Make Me a Blessing," and "The Hallelujah Chorus."

The choir will be accompanied by an orchestra ensemble from Evangel College, Springfield, Mo., and directed by Dr. Jesse Peterson, professor of music at the college.

Choirs from seven churches will participate in the festival. They are Calvary Baptist, Brooks Holder, director; Nameoki Methodist, Rhoderick Key, director; Edwards Street Assembly of God, Alton, Bob Williamson, director; Trinity Assembly of God, St. Louis, Joann Brooks, director; Belleville Assembly of God, Edward Mutto, director; and two choirs of the host church, Sanctuary, Margaret Wolverton, director; and Teen Choral, Kenneth Jones, director.

Each choir will perform individually as well as take part in the mass choir. The Choir Festival is sponsored by the Sanctury Choir of the host church. The public is invited to attend.

PETERSON

St. Louis U. Professor To be Featured Speaker

Featured speaker at the third annual Smorgasbord sponsored by the Granite City Education Association at 8:30 p.m. Tuesday, will be Dr. Ann-Marie Hamburg, an associate professor of French at St. Louis University. The dinner meeting will be held at the Granite City high school cafeteria.

A native of France, Dr. Hamburg is a former member of the French press and a playwright of note. Her talk will deal with the topic "Five Senses in Search of Civilization." She will be introduced by Miss Hazel Towery, who is serving as program coordinator.

All faculty members and office personnel in the local school system are being invited to attend. Mrs. Doris Nelson, GCEA president, said today. She added that tickets at \$2.50 each are available from building representatives at each school.

Radiator Explodes, Ann Barton Burned

Miss Ann Barton, 20, daughter of Mr. and Mrs. Casper Burgen of 3406 Nameoki road, is in critical condition at Latter Day Saints Hospital, Salt Lake City, Utah, from burns received when a steam radiator exploded in the bathroom of her apartment as she was bathing. Miss Barton was burned over 85% of her body.

Mr. and Mrs. Burgen returned home Monday after spending a week with Miss Barton, who is to be flown to a St. Louis hospital in about two weeks to undergo plastic surgery. Miss Barton was employed for a year at the credit bureau here before going to Salt Lake City to take a job as stewardess with Frontier Airlines.

Her brother, Robert Barton, went to Salt Lake City immediately after the incident which occurred Oct. 15. Miss Barton is a graduate of the 1961 class of Granite City high school.

\$2610 Brick Suit Filled

The Hill Brick Co. has filed suit for \$2610 in Madison county circuit court as the amount due for bricks sold to Arthur McFarland of Granite City on March 4, 1964. The complaint alleges no payments were made.

Masquerade Party At St. John's Sunday

A gathering of spooks, goblins and other traditional Halloween characters will be held at 6:30 p.m. Sunday in the youth center of St. John United Church of Christ when a masquerade party will be given by the Senior High Youth Fellowship for young church members.

Prizes will be awarded in various costume categories and different age levels. A "spook" movie will be shown and refreshments will follow. Senior high members will be in charge of judging and arrangements.

Attends Program for Industrial Photographers

Charles Chapman, chief of the photography laboratory at the Granite City Army Depot, attended a one-day program for Industrial Photographers at the Technical Center of the Eastman Kodak Co. in Oak Brook, Ill.

The featured speaker was Neil Montanus, Kodak photographer for more than 10 years, who showed and explained techniques used in many world-wide assignments. One of the techniques included an umbrella lighting assignment.

UF Agencies Provide Health, Family Welfare Services

Seven United Fund agencies with budgets totaling \$10,000 provide a wide variety of health, family and welfare services to Quad-Cityans.

Among the newer agencies is the Arthritis Foundation with a \$2000 budget to provide a program of treatment and education for local victims of arthritis and rheumatism.

The treatment program uses the physical therapy department of St. Elizabeth Hospital and the facilities of Firmin Desloge Hospital, St. Louis.

The newly-admitted agency has been providing services for medically indigent patients of local physicians for four years and payments have been made from the local United Fund Health Services funds.

By becoming a separate and participating agency, the Arthritis Foundation will permit unlimited referrals of patients by local physicians. Benefits also will be gained locally from the National Arthritis Foundation.

The Foundation office is located at 1221 South Grand Blvd., St. Louis, and the phone number is MO 4-3985.

Family Service Agency

Another agency, the Family Service Agency with a 1966 local budget of \$3000, provides non-sectarian family counseling, skilled, highly-trained caseworkers.

The staffers assist clients in resolving such problems as marital or parent-child conflicts, child behavior, personal social adjustment, vocational and economic problems.

In 1964, there were 232 interviews with local residents. The interviews are confidential, and fees are based on family income and are graduated so that every one can afford the service. The office is located at 324 Murphy building, East St. Louis, and the phone number is UP 5-6750.

Care for children unable to care for themselves is provided by Illinois Children's Home and Aid Society which has its office at 10 East Broadway, Alton, and serves the Quad-Cities through a \$4000 United Fund budget.

The agency handles cases involving broken homes, no homes at all or unsuitable homes. Services include medical and pre-adoption care for infants, selection and investigation of adoptive homes, advice for adoptive parents on the special problems they will meet and reports for the court which has final jurisdiction.

During 1964, one child from the local area was placed in a foster home and two others were under the care of the Society in adoptive homes. Adoption was completed for two children, and there was maternity care planning for three unmarried mothers.

The Society's phone number is HO 2-2714.

Boys' Town of Illinois, located at Grifton, has a local budget of \$5000. Children of broken homes or with parents unable or unwilling to provide proper care receive complete care and education at Boys' Town.

In 1964, Boys' Town served six boys from the local area—over one-third of its capacity. Special counseling, tutoring and individual attention prepare the boys for return to their own communities. Most are placed in the home by county courts in this area of the state for periods ranging from a few months to several years.

The United Service Organizations (USO) was given a belated increase in its local budget amounting to \$500 to boost the total contribution from the Quad-Cities to \$2500. The increase was granted two weeks ago on an appeal from President Johnson for additional funds to open more USO centers in Vietnam.

The program is designed to serve welfare needs of men and women in the Armed Forces through friendship, amusement and help with personal problems. Centers are located throughout the world, wherever the U. S. Armed Forces go, and one is located in St. Louis that serves the needs of Granite City Army Depot servicemen.

The other two agencies of national stature are Traveler's Aid Society which has a \$1000 local budget and the American Branch of International Social Service which has a budget of \$200 local.

U.S. Supreme Court To Get Railroad Assessment Case

Decision to reject an offer of settlement by 12 railroads involved in the Madison county railroad tax assessment cases—involving \$2,000,000 in protested tax money—and to appeal the long-standing dispute to the United States Supreme Court was reached Monday afternoon by Madison county school officials.

Under a recent Illinois Supreme Court ruling in the assessment battle, Madison county taxing units would lose about \$900,000. Of this amount, the school districts would lose about \$700,000.

Decision to go ahead with the U. S. Supreme Court appeal was made by school officials of 14 of the 15 districts in a meeting in the office of County School Supt. Wilbur R. L. Trimpe.

The Illinois Supreme Court decision last May reversed a ruling by Circuit Judge James O. Monroe Jr. at Edwardsville which cut in half the \$2,000,000 in tax refunds claimed by the railroads for a five-year period from 1957 to 1962. The railroads claimed they had been assessed at 100% of their full cash value, while other properties, assessed locally, were assessed at about 55% of actual value.

Madison County officials argued the railroads were not assessed at 100% because local valuations were revised by the Illinois State Department of Revenue through application of judgment factors.

The Illinois Supreme Court rejected this contention and ordered the lower court to allow tax refunds outlined in two previous cases. The state court refused Sept. 13 to rehear the case.

OUTSTANDING PERFORMANCE awards granted to four Granite City Depot employees by Col. Charles B. Schweizer, depot commander. They are, left to right—Carroll Pinson, Mrs. Joan Brewer, Col. Schweizer, Lloyd Miller and Frank Markovich.

4 Depot Employees Get Performance Awards

Four Granite City Army Depot employees received awards for performance of duty in an outstanding manner from Col. Charles B. Schweizer, depot commander.

They are Carroll Pinson, Maryville, sustained superior performance award; Mrs. Joan Brewer, 2710 Madison avenue, outstanding performance award; and Frank Markovich, 1638 Third Street, Madison, sustained superior performance award.

"This isn't true," Partney stresses. "Beautification begins with the individual. The choice is yours to determine the type of city in which you want to live."

The mayor added that the street department is at work cleaning alleys, the city painter is on the job and the city inspectors are having all old automobiles removed from streets, alleys, lots and yards.

"The choice is here and must be made now. Which door will you take?" the mayor asks. "Most will avoid their obligation by saying, 'beautification is a tremendous problem; there's nothing I can do.'"

"Do your part and help clean up our city and keep it clean," the mayor urges.

Realtors Study Federal Housing, Urban Programs

The Granite City Board of Realtors has received a detailed document on federal housing and urban development programs which may materially affect the future growth and development of the local community, Ray M. Kaegele, board president, announced today.

Titled "Realtor's Guide to Housing Programs," it details comprehensive programs not only in the new multi-billion dollar Housing and Urban Development Act of 1965, but also those on the books earlier, he said.

The guide also contains interpretations of regulations set by federal administrators. Thirty-six housing programs are covered by the guide, all involving federal financial cooperation or assistance through loans, grants or insurance of loans, Kaegele said.

"Although the guide describes programs that benefit the average person who owns or wants to own a home as well as a plan providing federally insured home loans for peace-time veterans, the programs of most significance

are aimed at less fortunate citizens," he said.

Eliminate Slums
It indicates methods that make possible the elimination of slums and blighted neighborhoods with out reference to government-owned public housing.

It suggests ways to house low-income families, through a system of church or citizen-sponsored projects which involve no expenditure of city funds and could cut welfare expenditures.

Kaegele said the board will bring the programs to the attention of city officials and civic and church groups so that projects of benefit to the community may be studied and possibly undertaken.

Study Housing Needs
"With so many programs, involving so much available assistance, it is essential that our community consider most positively adequate study of its housing needs," he said.

Additional copies of the guide are being ordered for board members and copies are being made available to city officials.

The National Association of Real Estate Boards, publisher of the guide, is composed of more than 1,500 local boards and 81,000 realtors in the nation. Only board members may use the term realtor.

NEW CORRESPONDENT
New Nameoki area social news correspondent effective tomorrow will be Mrs. Dixie Griffin, 2007 Garfield avenue. News may be called to her at TR 7-6556.

MRS. CROSS HOSTESS TO EVENING CLUB
Mrs. Sylvia Cross was hostess Tuesday evening to the Evening circle of Nameoki Presbyterian Church in her home, 4602 Vesco avenue.

Mrs. Fern Mitchell, chairman, conducted a business meeting which was followed by a lesson given by Mrs. Lou Pyles from the study book, "Live As Free Men."

Prayer was offered by Mrs. Louise Thompson as she read missionary names of the Least and the Fellowship of the Least.

The hostess served refreshments to those named and to Miss Edith Arbogast, Bonnie Britton, Bea Pyle, Irma Taylor, Jean Lybarger and one guest, Mrs. Dolores Cunningham.

The circle will meet again on Nov. 23 in the home of Mrs. Lybarger, 1820 Primrose avenue.

BRIDGE MEETINGS
The Granite City Duplicate Bridge club held a weekly session Sunday evening at the Elks club under the direction of Mrs. Sam Meyer.

First-place winners were Mr. and Mrs. Paul Densford; second place, Dr. Val Geroff and Sam Meyer; and third place, Mrs. Donna Schafer and Mrs. Betty Caldwell.

On Monday morning, the Nameoki Duplicate Bridge club met in the home of Mrs. Helen Meyer, 2832 Yale drive.

Mrs. Donna Schafer and Mrs. Elizabeth Tiller took first place honors, Mrs. Mary Fritz and Mrs. Olive Kalert second, Mrs. Marie Dressel and Mrs. Betty Caldwell third and Mrs. Helen Todd and Mrs. Hulda Davis fourth.

Next Monday at 10:15 a.m. will be master point day for the Nameoki club, and the Granite City club will meet again at 6:30 p.m. Sunday at the Elks. The public is invited to attend either or both meetings.

Set New Discussions On Gas Line Requests

Another discussion of hearing requests for two natural gas pipelines for the right to pipe additional gas supplies into the St. Louis Metropolitan area has been set in Washington for Nov. 2 by the Federal Power Commission.

The case, actually 16 years old, but much of that time was devoted to a petition of Oklahoma-Illinois Gas Pipeline Co. of Tulsa to build a \$62 million dollar pipeline from fields in Oklahoma to the Illinois-Missouri metropolitan area. The commission denied that application on Sept. 9.

The commission, however, has remanded further hearings applications by Panhandle Eastern Pipeline Co. of Kansas City, Mo., and a joint proposal by Natural Gas Pipeline Co. of America, Chicago, and Mississippi River Transmission Corp., St. Louis.

Missouri River is the present supplier of wholesale gas in the area.

Preliminary discussions were held on Oct. 18, the first to be held since commission action in September. At that time the commission said that either of the two pending proposals would be basically satisfactory if supported further by additional testimony.

Two Madison Youths To Face Grand Jury

Leonard Adams Jr., 17, Apt. 43 Garesche Homes, Madison, and Ernie Lee Cobb, 17, of 1503 Third street, Madison, were bound over to the county grand jury on burglary charges Tuesday by Magistrate Hiscott.

Cash bail was set at \$300 for each. They were arrested by Venice police on charges of burglary at Hlava's garage and Stone's cafe in Madison on Oct. 7.

23rd-Delmar Collision

Auto driven by Billie K. Lipe, 2241 Washington avenue, and Dorothy C. Faskie, 2105 Cottage avenue, collided at 12:55 p.m. Tuesday at 23rd street and Delmar avenue.

Radio Aerial Broken

Mrs. John Lacey, 2724 Ponton Plaza apartments, reported at 1:30 p.m. Tuesday that the radio aerial was broken off her 1963 auto while it was parked in a carport.

Auto Uproots Tree

Maivola Patterson, 2617 Charles street, reported at 8:25 a.m. Wednesday that a hit-and-run driver ran over a six-foot hedge in her yard and knocked down a tree, uprooting it.

A parade was held, with each scout in costume. The judges, Mrs. Carmen Waggoner, Bill Kraus and Thomas Risner, announced as winners Neil Seymour, funder costume; Terry Hollis, most righting; and Stan Manogian, most original.

The cubmaster held a ceremony for the new members and presented them with their bobcat pins. They are Eric Kraus, Dennis Brunson, Robert Crain, Kent Breeze, Michael Ames, Steve Galayda, Larry Kimball, Dennis Bernack, Greg Gauen, David Lindsey, Alan Milton, Danny Schneider, Bob Wallace, Tony Walsh, Ricky Risner and Terry Gardner.

Awards were presented to Ricky Reznack, Roger Teller, Keith Waggoner, Glen Lindsey, Stan Manogian, Terry Hollis, Terry Kaleita, Dwayne Smalls, Kevin Hoedbeck, Neil Mercer, Gary Rushing, Mike Seymour, Alan Slawar, Tim Zenk, Steve Hagopian and Greg Waggoner.

Closing ceremony was by Den Six. Refreshments were served by Den Eight committee.

Meeting was held after refreshments, and Joe Kaleita, committee chairman, announced that the next meeting is planned for Nov. 10 at 6:30 p.m. at Monks Mound.

TRAINING PROGRAM at St. Elizabeth Hospital for certified laboratory assistants is being planned by Dr. L. E. Farris, pathologist, and Sister Mary George, laboratory supervisor.

Laboratory Assistant Training to Be Given

The Clinical Laboratories of St. Louis, a cooperative association of area pathologists, is to initiate a program of instruction to train laboratory assistants in January 1966, with St. Elizabeth Hospital participating. Dr. L. E. Farris, M.D., Clinical Laboratories, has announced.

The laboratory has been accredited by the Board of Certified Laboratory Assistants. The laboratory assistant works under the direct supervision of a medical technologist and pathologist or other qualified physician, performing routine laboratory procedures in bacteriology, blood banking, chemistry, hematology, parasitology, serology and urinalysis.

The program will last for 12 months. At least 100 hours of formal instruction will be given at St. Louis Clinical Laboratories and 40 to 44 hours per week of practical exercise will be given at various hospitals in the greater St. Louis area.

St. Elizabeth will accommodate three students who will be under the supervision of Dr. Farris and Sister M. George, laboratory supervisor.

Applicants must have graduated from an accredited high school. Anyone interested in the program should contact the Personnel Office, St. Elizabeth Hospital, for further details and an application blank. The completed application is to be sent to Clinical Laboratories not later than Dec. 1, 1965.

At a later date, an interview will be required. There will be no tuition, nor will there be a stipend.

Upon satisfactory completion of the course, national certification examination will be given by the Board of Certified Laboratory Assistants, which will enable those who pass to use the initials "C.L.A." after their names.

Robert Garner Bound Over To Grand Jury

Robert Garner, 23, of 1619 Delmar avenue, was bound over to grand jury action Tuesday in a hearing before Magistrate Joseph Kelleher at Edwardsville on a charge of attempted murder in connection with an unsuccessful attempt to shoot two Madison police officers on Oct. 14. Bond was fixed at \$10,000.

Garner was named in two charges of attempted murder, carrying a concealed weapon, battery and two charges of aggravated assault after he pulled a .25 caliber automatic on two Madison policemen, Theodore Skokko and Edward Godlan, while they were talking to him in his cell, and pulled the trigger repeatedly. The gun misfired because of a jammed shell in the chamber.

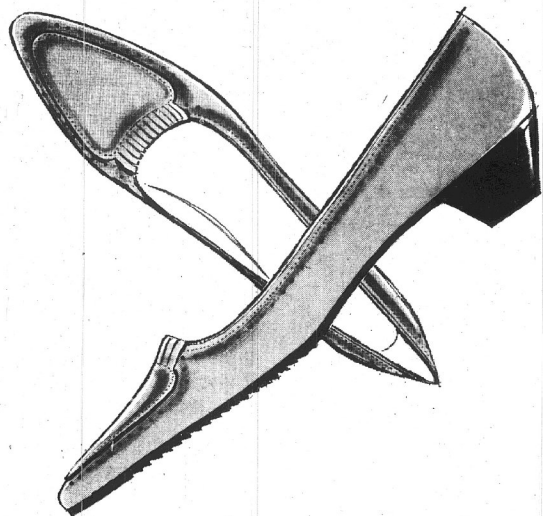

Assistant State's Attorney John Gitchoff said Garner's hearing was based on the attempted murder of Skokko and on a charge of unlawful use of a weapon, a misdemeanor which becomes a felony if the defendant has a previous conviction. Gitchoff said Garner has been convicted before. The other charge of attempted murder was withdrawn, Gitchoff said.

Speeding Charge Filed

Robert W. Hawkins, Edwardsville, was arrested at 10:20 p.m. Tuesday at 13th and State streets on a speeding charge. He was summoned for a hearing by Nov. 3.
